

Paratroopers Block Roads, Seal Off 28,000 Reds

Seoul, Oct. 21 (AP)—Quick moving U.S. Parachute troops today sealed off 28,000 Red Koreans. This was nearly half of the estimated organized enemy fighting force left north of parallel 38.

General MacArthur's headquarters said all main roads in the Suncheon-Sukchon area, where the 4,100 Americans dropped out of the sky Friday, were blocked against the Reds.

An estimated 63,000 Communist fighting men left in North Korea thus will not be able to mass for any big future stand against Allied troops racing to bring the savage four months old war to an end, an intelligence officer said.

Equipment Lost

Headquarters said the Reds may be able to move some of the trapped 28,000 men over hill roads but that their heavy equipment was lost.

What little opposition the North Koreans tried to put up against the paratroopers was speedily overcome.

A MacArthur spokesman said there is still no evidence of an organized defense line north of the present battle zones nor of an "auxiliary" capital. Likewise, reports of pre-arranged assembly points for shattered North Korean units are becoming rare.

Resistance in Pyongyang, the captured Red capital, is flickering out, the intelligence officer said. American tanks have crossed the Taedong and are in the city. Small pockets of reds and snipers peeked away at United Nations troops.

The intelligence officer said the two North Korean army corps headquarters organizations have been written off. He said the commanding generals are believed to have escaped. Local guerrilla bands apparently were operating on their own.

To Rush To Border

General MacArthur, who supervised the big parachute drop Friday, said he is confident the end of the fighting and triumph for United Nations forces is near at hand.

Five South Korean divisions—the Sixth, Seventh, Eighth, Third and Capital—are preparing to rush to the Manchurian border to cut off escape routes for remaining Red forces.

More and more the Communists appeared to be losing their zest for battle. They surrendered in droves and small groups. More than 82,000 war prisoners are held by the Allies.

One Of Largest On Record

U.S. First Cavalrymen and the Parachute troops linked forces over the 30-mile stretch between fallen Pyongyang and Suncheon to the north.

An army war summary said the Paratroopers had secured their objectives in the Suncheon and Sukchon areas.

The South Korean Sixth Division joined the Paratroopers a few hours after the Americans landed.

The air drop was one of the largest in the history of warfare and the only one in this four-months-old war that has claimed an estimated 200,000 lives since it started on June 25.

Afterward, General MacArthur landed in Pyongyang and ordered the South Koreans to rush to Red China's Manchurian border as fast as possible.

Identify Illnesses Definitely As Polio

The illnesses of two Adams county patients in the Harrisburg hospital were definitely established as polio on Friday.

Those ill are Rose Mary Welty, 14, daughter of Mr. and Mrs. Robert Welty, Fairfield R. 2, Franklin township, a student at St. Joseph's high school, Emmitsburg, and Mrs. Keith Nunemaker, 28, Gettysburg R. 3, mother of two children.

Vernon Stanley, 45, Mt. Joy township, is still under observation at the hospital for a paralyzed throat condition.

Miss Sillik Weds James Nunemaker

Miss Doris J. Sillik, niece of Mr. and Mrs. Norman Diehl, Biglerville, and James K. Nunemaker, son of Mr. and Mrs. Bernard Nunemaker, 223 East Middle street, Gettysburg, were married Tuesday afternoon in the Church of the Brethren, Westminster, the pastor of the church performing the double ring ceremony. There were no attendants.

The bride is a graduate of Biglerville high school, class of 1949, and is employed as a waitress at the Hotel Gettysburg. The groom attended Gettysburg high school and is now employed at the Gettysburg furniture company. The couple is residing at 123 North Stratton street.

HYMN FESTIVAL BY THREE CHOIRS SUNDAY EVENING

With choirs of three local churches participating, a hymn festival will be conducted Sunday evening at 7:30 o'clock in Trinity Evangelical and Reformed church. The choirs of the Methodist, Presbyterian and Trinity church will take part.

The choirs of the three churches are combining this year in the inauguration of an experiment which it is hoped will lead in the future to the formation of a "sacred choral union" in Gettysburg that will include all churches interested in participating, an announcement today stated.

Early this fall, the three choirs, totaling about 40 voices, began preparation of the program for Sunday evening's hymn festival under the direction of Miss Alice Snyder, of Trinity Evangelical and Reformed church; Mrs. Robert Deardorff of the Methodist church, and Phillip McGuire of the Presbyterian church.

Congregational participation in the singing of hymns will prevail throughout the service which will last one hour and will be divided into three parts: "The Church of the Good Shepherd, the Church Militant and the Church Triumphant."

The pastors of the three churches: Dr. Howard S. Fox of Trinity church; the Rev. Henry B. Bailey, Jr., of the Methodist church, and the Rev. Clyde R. Brown of the Presbyterian church, will participate briefly in the service.

Safety Posters Are Displayed Here

Posters calling attention to the new school bus law have been placed in store windows and elsewhere in Gettysburg and on several billboards in Adams county through the sponsorship of the Junior Bar conference of the Pennsylvania State Bar association.

The posters have a dark blue background picturing a yellow school bus and the word "stop" in large red letters. The posters are a reminder to motorists of the new state law now being enforced that they must bring their cars to a complete stop when approaching a standing school bus taking on or discharging passengers.

The Junior Bar project was undertaken both as a service to motorists and as a safety measure for the protection of school children. It was given the approval of the Adams County Bar association, The Outdoor Advertising company, with offices at Carlisle, donated space on its billboards and labor for placing the posters.

CHEST DRIVE PASSES \$1,000

With the first report period for the community chest drive scheduled for this evening at 7:30 o'clock at the office of Philip Bickle on Baltimore street, drive officials this morning said they expected it would put the amount collected so far over the \$1,000 mark.

Informal reports made this morning by a few solicitors to Chest President Glen Guise indicated that at least \$1,155 has been collected so far.

Additional report dates will be Tuesday, Thursday and Saturday with the final reports to be in October 30.

An "army" of approximately 100 solicitors began the annual canvass of the community for funds for the six organizations represented by the Community Chest. The chest is seeking \$22,000 in its current drive.

SELL PROPERTY

Clinton F. and Elizabeth R. Smith, Highland township, four miles west of here along the Fairfield road, have sold their 21-acre poultry and stock farm, grocery store and gas station to D. W. Hewson, Long Island, N. Y. Mr. Hewson will continue to operate the store and station. Possession will be given December 20. The sale was made through C. A. Heigge and son.

BIGLER PASTOR'S ANNIVERSARY TO BE CELEBRATED

The Biglerville Lutheran parish will hold a joint anniversary service in St. Paul's Lutheran church Sunday morning at 9:45 o'clock. Twenty-five years ago Sunday, the Rev. H. W. Sternat preached his first sermon in that church. This service is the second event to be held in celebration of Rev. Sternat's silver anniversary in Biglerville. On Wednesday at a social he was presented with a new automobile and other gifts.

The guest minister for the service will be the Rev. J. St. Clair Bousum, pastor of Bethany Lutheran church, Springfield Gardens, Long Island, N. Y., who is a friend, former classmate and roommate of Rev. Sternat. The topic of his sermon will be "Grateful Hearts."

The service will open with an organ prelude, "Barcarolle" by Paulke, played by Miss Barbara Kleinfeiler. The processional hymn is "Holy, Holy, Holy!", followed by the service, the Introit, the gloria patri, the kirie, the gloria in excelsis. The epistle lesson for the morning is taken from Ephesians 5:15-21, and the gospel lesson from Matthew 22:1-4. The gospel will be followed by the apostle's creed and the baptism of infants.

The congregation will join in the singing of the hymn "Beautiful Savior" after which the choir will sing "If With All Your Hearts," by Mendelssohn. Rev. Bousum will then deliver his sermon, followed by a tenor solo by Prof. C. L. Yost, "O Divine Redeemer" by Gounod. The offering will then be lifted while Miss Kleinfeiler plays "Autumn" by Chaminade. The pastoral prayer, the benediction and the recessional hymn, "Blessing and Honor and Glory," will conclude the service. As a postlude, Miss Kleinfeiler will play "Now Thank We," by Karg Elert.

On Sunday, October 29, the parish will observe Reformation Sunday. A special offering will be received for Lutheran World Action at the regular services.

HUNDREDS SEE EXHIBITS AND HEAR PROGRAM

Several hundred persons visited the farm products, home economics and needle work exhibits in St. Aloysius hall, Friday evening, sponsored by the Chamber of Commerce and the Pennsylvania Week committee, as a climax to the week's observance of Pennsylvania Week in the community. The exhibits will be open this afternoon and evening, also. There are almost three hundred entries.

Friday Night's program opened at 8 o'clock with the Star Spangled Banner, followed by prayer, offered by the Rev. Kenneth D. James, pastor of St. John's Lutheran church. Greetings were brought by Samuel H. Higinbotham, president of the Chamber of Commerce, who then introduced Charles E. Ritter, general chairman of the Pennsylvania Week committee. Mr. Ritter presented the following: L. Robert Snyder, general secretary of the committee; William V. Sneringer, chairman of the hall and decorating committee; Mrs. Charles W. Weikert and Mrs. John R. Bloom, co-chairmen of the home economics and needle work exhibit; Holman L. Sell, chairman of the agricultural exhibit; Theron W. Spangler and Chester S. Byers, co-chairmen of the finance committee; Stanley B. Stover, chairman of the town decorating committee and Robert Miller, of the Junior Chamber of Commerce, chairman of the entertainment committee.

Hartman Is Speaker

Mr. Miller introduced the Misses Sieglind and Ladora Miller, Jefferson, who sang as vocal duets "Come to the Fair" and "Just A Cottage Small," with Mrs. J. Robert Sell as piano accompanist. An informative talk on the progress of Adams county, with special emphasis on the values of livestock and agricultural products, was given by M. T. "Dutch" Herftman, Adams county farm agent. The Misses Miller sang "The Voice in the Old Village Choir" and "Little Red Schoolhouse." A message, stressing the importance of getting the young people interested in agricultural enterprises as well as developing a rural social life, was presented by Ira Dunmire, assistant county agent, and director of 4-H club work. The program closed with the singing of "Dear Hearts and Gentle People" by the Misses Miller.

Mr. Ritter extended his appreciation to the members of the committee for their cooperation and to those of the community and vicinity.

Two More Youths Sign Guilty Pleas

Two more youths arrested Monday in Maryland for breaking into the Gettysburg News and Sporting Goods agency, Chambersburg street early Saturday morning signed pleas of guilty Friday afternoon before Justice of the Peace Robert P. Snyder.

John Junior Putt, 18, of Shiremanstown and John Michaels, 20, of Harrisburg, pleaded guilty to charges of burglary, and were held for court. They were taken back to jail here.

Victor Eugene Sanger, 18, of Eiders, Pa., had previously signed a plea of guilty to carrying a concealed weapon. A fourth youth implicated in the case was turned over to Dauphin county authorities.

Many Countians Benefit By YWCA Services Here In Year

Nearly everyone in Adams county at some time during the year finds an opportunity to utilize the YWCA on Lincoln Square, Community Chest officials believe.

The YWCA is one of six organizations for which funds are being raised during the current Red Feather drive in the borough.

Listed as the YWCA's share in the \$22,000 campaign is \$2,500 for current expenses during the coming year, and \$2,000 to help pay for the complete renovation of the building. This marks the first year since the YWCA has been a member of the Community Chest that any allocation of funds for capital outlay or improvement has been made to the "Y" from the chest.

Started a quarter of a century ago when the Danner home on Lincoln Square was willed as the site of a YWCA, the organization has been active in promoting girls' and women's activities in the community and county since that time.

Real Community Center

In addition, it has proven a community center for the county, with numerous organizations, groups and committees using its facilities for meetings. In addition thousands of residents and countians have used its comfortable parlors as a place to rest while shopping or a convenient place to meet acquaintances or wait for transportation.

16 YOUTHS GET DRAFT BOARD NOTICES TODAY

Sixteen Adams county youths, ten less than the quota fixed by state Selective Headquarters, were notified by Local Draft Board No. 1 today to report November 1 for induction into the armed forces.

The draft board said that it did not have men enough available to meet the quota of 26 which it was notified to fill. The board said it could not draw on men who went to Harrisburg for pre-induction physical examinations earlier this week until later.

Philip J. Overbaugh, McSherrystown, has been named leader of the November 1 contingent, and Donald P. Raffensperger, Jr., Gettysburg, as assistant leader.

Others scheduled for induction and ordered to report at the draft board ready to leave for Harrisburg at 7 a.m. are:

Charles E. Yingling, Littlestown R. D.; Lynwood R. Brown, Gettysburg R. D.; Raymond H. Riddle, Jr., Abbottstown, R. D.; John W. Smith, New Oxford R. D.; Emory K. Clapp, Gettysburg R. D.; Wayne H. Noel, New Oxford, R. D.; Charles F. Black, Aspers; Charles H. Roche, New Oxford, R. D.; Robert M. Stevens, York Springs, R. D.; Harold W. Shields, Biglerville R. D.; Raymond M. Weaver, New Oxford R. D.; Earl C. Hess, York Springs R. D.; Melvin E. Griest, Gardners R. D.; and Donald L. Gerver, Littlestown R. D.

"HEN" BREAM IS GIVEN PRAISE AT ALUMNI DINNER

"Hen Bream is one of the finest coaches in the country," stated Charles R. "Chick" Kennedy, athletic director of Dickinson college, at the annual football dinner at Hotel Gettysburg Friday night on the eve of the Gettysburg college Homecoming football game with Muhlenberg.

Praising Gettysburg college athletic teams as "very fine competitors and very fine sports," Kennedy declared, "We (Dickinson) have made many fine friendships at Gettysburg through the years."

Mr. Kennedy told of the Dickinson freshman football player who received a broken collarbone in the Gettysburg - Dickinson freshman game played here recently. The boy received a visit from President H. W. A. Hanson after which he called Dickinson authorities to tell them everything was "all right." Kennedy thanked Dr. Hanson and concluded: "For 20 years I've been coming to Gettysburg and receiving that kind of treatment."

Approximately 60 were present at the dinner which was presided over by John Apple, Sunbury, alumni association president. Mrs. Hanson, Dr. W. E. Tilberg, Head Coach Hen Bream, assistants, John Yovicsin and Jack Shainline; baseball coach, Ira Plank; golf coach, Joe Wolfinger; Dr. Clarence Bartholomew, a member of the physical education department, were introduced.

Dr. Hanson in a short talk paid tribute to Coach Bream as a man who could come up with a smile in face of the "worst injury epidemic in the history of football at Gettysburg college."

Dr. Hitchler, dean of Dickinson Law school, spoke briefly. The meeting adjourned to Lincoln Square where there was a pep rally in progress.

Lt. Geo. E. Sheffer Wounded In Korea

Lt. George E. Sheffer, U. S. Army, son of the Rev. and Mrs. George E. Sheffer, Lincolnway East, New Oxford, has been wounded in action in the Korean campaign, according to the letter received from him by his parents.

Lieutenant Sheffer received a bullet wound in the fighting on October 9, and was evacuated to an Army base hospital in Japan where he is now recovering.

Lieutenant Sheffer is a graduate of West Point, class of 1946, and following his graduation received his Master of Business Administration degree at the University of Michigan in June, 1949. He was then transferred to Okinawa where he was stationed until four weeks ago, when he was assigned to an ordnance outfit in Korea.

MRS. SLAYBAUGH IMPROVED

The condition of Mrs. Glenn Slaybaugh, Biglerville, who suffered an acute heart failure last Saturday was said today by Dr. W. North Sterrett to be "satisfactory." She was removed to the Warner hospital following the attack and oxygen was administered several times during the week.

County Teachers To Dine Wednesday

The Adams county branch of the Pennsylvania State Education Association will hold its annual fall banquet at the Lutheran Parish house, Fairfield, next Wednesday at 7 o'clock, President Arthur M. Gordon announced Friday. The main speaker of the evening will be Eugene Bertin, associate secretary of the state branch of P.S.E.A. in charge of research.

A report will be given by Garnet Shellhase, a member of the Littlestown high school faculty, on the conference of classroom teachers which he attended last week-end at the Bedford Springs hotel. Reservation can be made for this dinner by contacting Miss Hazel Carson, Fairfield.

FREEDOM BELL DEDICATION TO BE CELEBRATED

Bells will ring throughout Adams county at 12:03 Tuesday afternoon in connection with the World Freedom Bell dedication in Berlin, Germany, Lawrence M. Sheads, chairman of the Crusade for Freedom drive in the county, announced today.

The ringing of bells locally will be part of a nationwide ceremony on Tuesday, United Nations Day, in which bells will ring out in unison with the first ringing of the World Freedom Bell in Berlin.

Members of the committee for the Crusade for Freedom throughout the county today were contacting ministers, firemen and others to ask them to have their bells ring out the tidings of freedom in connection for World Bell ceremony.

Plan Radio Broadcast

Burgesses of the various boroughs in the county were being asked today to join in a joint proclamation, to be published Monday, urging all the residents of their boroughs to participate in the bell ringing.

Touching off the observance will be a broadcast, scheduled to be heard over WGEE, the National Broadcasting company, the Columbia Broadcasting company and the American Broadcasting company, direct from the scene of the dedication of the World Freedom Bell in Berlin. The broadcast will begin at 12 noon with an opening by the announcer, a dedication plus reading of the Declaration of Freedom by General Lucius D. Clay, national head of the Crusade for Freedom, ringing of the Freedom Bell and silent prayer for world freedom and peace, and the closing of the program.

The names of hundreds of countians will be placed along with the names of thousands of other Americans in the base of the bell tower in Berlin housing the Freedom Bell during the ceremony.

SUV Plans Nov. 19 Anniversary Event

Details of plans for the annual observance of the anniversary of the dedication of the Gettysburg National cemetery were outlined Friday evening at the regular meeting of the Gettysburg camp of the Sons of Union Veterans.

Named as the committee for the November 19 exercises in the National cemetery here were Dr. Joseph H. Riley, the Rev. Willis R. Doyle, Arthur Warman, David Tawney, Paul Snyder and G. Henry Roth.

The program is scheduled to follow the usual program for the event, with a talk and recitation of Lincoln's Gettysburg Address at the National monument, the spot where Lincoln delivered his address here 87 years ago, placing of a wreath on the graves of unknown Union soldiers and band music.

Further details were not announced pending acceptances of invitations to participate on the part of the speaker and various units to participate. Commander Joseph Riley presided at the meeting.

Headlight Charge Is Filed By Police

Henry Williams, Philadelphia, paid a fine of \$10 and costs to Justice of the Peace Robert F. Bell, Gettysburg R. 4, on a charge of failing to tilt his headlights, filed by state police of the Gettysburg substation.

Harold McCulloch, Jr., Mercersburg, was fined \$10 and costs by Justice of the Peace Walter Wolf, York Springs, on a charge of driving too fast for conditions.

Helen Elaine Tressler, Waynesboro, paid \$15 and costs to Justice of the Peace Roy Metz, Mt. Hope, for reckless driving.

PARENTS OF SON

A son, instead of a daughter as previously reported, was born to Mr. and Mrs. James Shetter, 44 East Water street, Wednesday, at the Warner hospital.

PENNA. WEEK SPECIAL DUE HERE AT 3:30

Gettysburg and Adams county were ready to welcome the Pennsylvania Week Special here at 3:30 o'clock this afternoon on the last stop of its week-long trip around the state.

Arrangements for the program on the "stage car" at the Carlisle street crossing of the Western Maryland railroad were completed, and Sydney J. Poppay and Fred G. Pfeffer, co-chairmen of the Adams county Pennsylvania Week committee said everything was in readiness to greet the state officials, movie stars and other entertainers on the de luxe train.

Ezra Stone of radio fame will be master of ceremonies. A message of welcome from Burgess William G. Weaver will be read; Mr. Pfeffer will give Lincoln's Gettysburg Address and there will be remarks by Edmund W. Thomas regional chairman.

MR. PFEFFER

Appearing on the state's part of the program will be Movie Star Alexis Smith, Emille Longacre, Miss Pennsylvania; Ham Fisher, creator of "Joe Palooka"; the Brownlee sisters, the Pittsburghers, national champion barbershop quartet, and others.

Governor Duff is expected to head the state notables, including Theodore Roosevelt III, secretary of commerce, here this afternoon.

The Biglerville Kitchennettes will lend color to the ceremonies and entertainment program at the Carlisle street crossing and there will be apples and cider provided by the C. H. Musselman company.

PEP RALLY AND PARADE STAGED FRIDAY NIGHT

Several hundred students of Gettysburg college staged a colorful, if noisy, pep meeting in Lincoln Square Friday night on the eve of the alumni homecoming and the Gettysburg-Muhlenberg football game after a parade which included numerous floats, bizarre and grotesque, the freshmen in evening attire (pajamas) and the college band.

The parade formed on the campus and proceeded to the square via Carlisle street. Following the cheering and band music, the parade resumed its march, returning to the college by way of Chambersburg and North Washington streets. Cheer leaders led the students in the college cheers in the square.

"The Mules" were trimmed, sent to the glue factory, dyed, laced, branded, derailed, shov, cleaned up and otherwise "given the works" in the themes of the several floats which were included in the parade, and provided much merriment for several hundred spectators who lined the sidewalks and curbs.

"Mules" Given the Works

Phi Kappa Psi's float had a red devil standing over two fallen Muhlenberg football players. Phi Gamma Delta provided a setting purporting to be the Bream-Capozzi variety shop, in which "Mules" were being trimmed and Sigma Chi sent today's football rivals to the glue works with the caption "Hen's Men Know What to do to These Mules."

Phi Delta Theta's theme was "lace the mules," and Alpha Tau Omega "branded" a somewhat docile mule, with Gettysburg football players doing the branding. Sigma Alpha Epsilon's float showed the Mules being spread out by a manure spreader.

These floats were followed in the parade down Carlisle street by the cheer leaders and drum majorettes and the college band in their colorful uniforms.

More Floats

More floats followed. Lambda Chi Alpha's theme was "derail the Mule Train." Phi Sigma Kappa provided (Continued on Page 7)

The Biglerville Lutheran parish will hold a joint anniversary service in St. Paul's Lutheran church Sunday morning at 9:45 o'clock. Twenty-five years ago Sunday, the Rev. H. W. Sternat preached his first sermon in that church. This service is the second event to be held in celebration of Rev. Sternat's silver anniversary in Biglerville. On Wednesday at a social he was presented with a new automobile and other gifts.

The guest minister for the service will be the Rev. J. St. Clair Bousum, pastor of Bethany Lutheran church, Springfield Gardens, Long Island, N. Y., who is a friend, former classmate and roommate of Rev. Sternat. The topic of his sermon will be "Grateful Hearts."

The service will open with an organ prelude, "Barcarolle" by Pauke, played by Miss Barbara Kleinfelter. The processional hymn is "Holy, Holy, Holy," followed by the service, the introit, the gloria patri, the kyrie, the gloria in excelsis. The epistle lesson for the morning is taken from Ephesians 5:15-21, and the gospel lesson from Matthew 22:1-4. The gospel will be followed by the apostle's creed and the baptism of infants.

The congregation will join in the singing of the hymn "Beautiful Savior" after which the choir will sing "If with All Your Hearts," by Mendelssohn. Rev. Bousum will then deliver his sermon, followed by a tenor solo by Prof. C. L. Yost, "O Divine Redeemer" by Gounod. The offering will then be lifted while Miss Kleinfelter plays "Autumn" by Chaminade. The pastoral prayer, the benediction and the recessional hymn, "Blessing and Honor and Glory," will conclude the service. As a postlude, Miss Kleinfelter will play "Now Thank We," by Karg Elert.

On Sunday, October 29, the parish will observe Reformation Sunday. A special offering will be received for Lutheran World Action at the regular services.

Littlestown HUNDREDS SEE EXHIBITS AND HEAR PROGRAM

Several hundred persons visited the farm products, home economics and needle work exhibits in St. Aloysius hall, Friday evening, sponsored by the Chamber of Commerce and the Pennsylvania Week committee, as a climax to the week's observance of Pennsylvania Week in the community. The exhibits will be open this afternoon and evening, also. There are almost three hundred entries.

Friday Night's program opened at 8 o'clock with the Star Spangled Banner, followed by prayer, offered by the Rev. Kenneth D. James, pastor of St. John's Lutheran church. Greetings were brought by Samuel H. Higinbotham, president of the Chamber of Commerce, who then introduced Charles E. Ritter, general chairman of the Pennsylvania Week committee. Mr. Ritter presented the following: L. Robert Snyder, general secretary of the committee; William V. Sneeringer, chairman of the hall and decorating committee; Mrs. Charles W. Weikert and Mrs. John R. Bloom, co-chairman of the home economics and needle work exhibit; Holman L. Sell, chairman of the agricultural exhibit; Theron W. Spangler and Chester S. Byers, co-chairman of the finance committee; Stanley B. Stover, chairman of the town decorating committee and Robert Miller, of the Junior Chamber of Commerce, chairman of the entertainment committee.

Hartman Is Speaker

Mr. Miller introduced the Misses Siegle and Ladora Miller, Jefferson, who sang as vocal duets "Come to the Fair" and "Just A Cottage Small," with Mrs. J. Robert Sell as piano accompanist. An informative talk on the progress of Adams county, with special emphasis on the values of livestock and agricultural products, was given by M. T. "Dutch" Hartman, Adams county farm agent. The Misses Miller sang "The Voice in the Old Village Choir" and "Little Red Schoolhouse." A message, stressing the importance of getting the young people interested in agricultural enterprises as well as developing a rural social life, was presented by Ira Dunmire, assistant county agent, and director of 4-H club work. The program closed with the singing of "Dear Hearts and Gentle People" by the Misses Miller.

Mr. Ritter extended his appreciation to the members of the committee for their cooperation and to those of the community and vicinity.

Rev. Sternat Given New Car

The Rev. Dr. Dwight F. Putman (right), president of the Central Pennsylvania Synod and former pastor of Christ Lutheran church here, is shown presenting to the Rev. Henry W. Sternat, pastor of the Biglerville Lutheran church for the last 25 years, the keys to the new sedan which his congregation presented to the upper county pastor as a mark of "appreciation." The presentation took place during a surprise silver anniversary reception for Pastor Sternat and his wife in Biglerville community hall Wednesday evening.

DROP TUESDAY MART SESSIONS UNTIL SPRING

Farmers announced today that there will be no more Tuesday morning market sessions at the Farmers Market on Race Horse alley until next spring. Market days will be Saturday morning only.

An increase in the price of eggs was the only major change in prices on today's market. Large whites and mixed whites and browns were 65 and 67 cents a dozen this morning.

Pork prices remained unchanged, as follows: pork loin, \$1 a pound; backbone, 50 cents a pound; ribs, 50 cents a pound; neck roast, 55 cents a pound; shoulder roast, 65 cents a pound; ham roast, 75 cents a pound; sausage, 60 cents a pound; scrapple, 25 cents a pound; pudding, 50 cents a pound; fresh sidemeat, 55 cents a pound; lard, 22 cents a pound.

Two More Youths Sign Guilty Pleas

Two more youths arrested Monday in Maryland for breaking into the Gettysburg News and Sporting Goods agency, Chambersburg street early Saturday morning signed pleas of guilty Friday afternoon before Justice of the Peace Robert P. Snyder.

John Junior Putt, 18, of Shiremanstown and John Michaels, 20, of Harrisburg, pleaded guilty to charges of burglary, and were held for court. They were taken back to jail here.

Victor Eugene Sanger, 18, of Ebers, Pa., had previously signed a plea of guilty to carrying a concealed weapon. A fourth youth implicated in the case was turned over to Dauphin county authorities.

Many Countians Benefit By YWCA Services Here In Year

Nearly everyone in Adams county at some time during the year finds an opportunity to utilize the YWCA on Lincoln Square, Community Chest officials believe.

The YWCA is one of six organizations for which funds are being raised during the current Red Feather drive in the borough.

Listed as the YWCA's share in the \$22,000 campaign is \$2,500 for current expenses during the coming year, and \$2,000 to help pay for the complete renovation of the building. This marks the first year since the YWCA has been a member of the Community Chest that any allocation of funds for capital outlay or improvement has been made to the "Y" from the chest.

Started a quarter of a century ago when the Danner home on Lincoln Square was willed as the site of a YWCA, the organization has been active in promoting girls' and women's activities in the community and county since that time.

Real Community Center

In addition, it has proven a community center for the county, with innumerable organizations, groups and committees using its facilities for meetings. In addition thousands of residents and countians have used its comfortable parlors as a place to rest while shopping or a convenient place to meet acquaintances or wait for transportation.

Here And There

News Collected At Random

A large hotel chain, according to The Saturday Evening Post, spent \$128,877.25 for 2,792,308 newspapers which were given free to its guests during 1949. In return guests made away with the following:

152,000 cups, 69,000 saucers, 766,000 glasses, 200,000 face towels, 67,000 bath towels, 62,000 pillow cases, 43,000 bed sheets, 3,200 blankets, 2,900 bedspreads, 13,500 tablecloths, 340,000 napkins, 75,000 knives and forks, 16,000 oyster forks and 138,000 spoons.

Isn't that appreciation!

The recent increase in the price of haircuts to 75 cents has brought a number of repercussions according to some reports reaching these ears during recent days. One barber said his business had fallen off for a while but that most of it returned later. Another said he lost several customers, who he had been in the habit of patronizing in return. "It's changed now," he said, "He doesn't patronize me, so I don't patronize him."

The boost in the price of coffee from five to 10 cents a cup brought another interesting "kick-backs."

One restaurateur said that since he has been in business "coffee has increased from 22 cents a pound to 83 cents a pound, the latest being a two cents rise in the past week. Cream has more than tripled in price and sugar has more than doubled. Add the tremendous increase of our overhead and anyone can see that you can't make money on coffee."

One restaurant employee said:

16 YOUTHS GET DRAFT BOARD NOTICES TODAY

Sixteen Adams county youths, ten less than the quota fixed by state Selective Headquarters, were notified by Local Draft Board No. 1 today to report November 1 for induction into the armed forces.

The draft board said that it did not have men enough available to meet the quota of 26 which it was notified to fill. The board said it could not draw on men who went to Harrisburg for pre-induction physical examinations earlier this week until later.

Philip J. Overbaugh, McSherrystown, has been named leader of the November 1 contingent, and Donald P. Raffensperger, Jr., Gettysburg, as assistant leader.

Others scheduled for induction and ordered to report at the draft board ready to leave for Harrisburg at 7 a.m. are:

Charles E. Yingling, Littlestown R. D.; Lynwood R. Brown, Gettysburg R. D.; Raymond H. Riddle, Jr., Abbotstown, R. D.; John W. Smith, New Oxford R. D.; Emory K. Clapp, Gettysburg R. D.; Wayne H. Noel, New Oxford, R. D.; Charles F. Black, Aspers; Charles H. Roche, New Oxford, R. D.; Robert M. Stevens, York Springs, R. D.; Harold W. Shields, Biglerville R. D.; Raymond M. Weaver, New Oxford R. D.; Earl C. Hess, York Springs R. D.; Melvin E. Griest, Gardners R. D.; and Donald L. Gerver, Littlestown R. D.

"HEN" BREAM IS GIVEN PRAISE AT ALUMNI DINNER

"Hen Bream is one of the finest coaches in the country," stated Charles R. "Chick" Kennedy, athletic director of Dickinson college, at the annual football dinner at Hotel Gettysburg Friday night on the eve of the Gettysburg college Homecoming football game with Muhlenberg.

Praising Gettysburg college athletic teams as "very fine competitors and very fine sports," Kennedy declared, "We (Dickinson) have made many fine friendships at Gettysburg through the years."

Mr. Kennedy told of the Dickinson freshman football player who received a broken collarbone in the Gettysburg - Dickinson freshman game played here recently. The boy received a visit from President H. W. A. Hanson after which he called Dickinson authorities to tell them everything was "all right." Kennedy thanked Dr. Hanson and concluded: "For 20 years I've been coming to Gettysburg and receiving that kind of treatment."

Approximately 60 were present at the dinner which was presided over by John Apple, Sunbury, alumni association president. Mrs. Hanson, Dr. W. E. Tilberg, Head Coach Hen Bream, assistants, John Yovicin and Jack Shainline; baseball coach, Ira Plank; golf coach, Joe Wolfinger; Dr. Clarence Batholomew, a member of the physical education department, were introduced.

Dr. Hanson in a short talk paid tribute to Coach Bream as a man who could come up with a smile in face of the "worst injury epidemic in the history of football at Gettysburg college."

Dr. Hitchler, dean of Dickinson Law school, spoke briefly. The meeting adjourned to Lincoln Square where there was a pep rally in progress.

Lt. Geo. E. Sheffer Wounded In Korea

Lt. George E. Sheffer, U. S. Army, son of the Rev. and Mrs. George E. Sheffer, Lincolnway East, New Oxford, has been wounded in action in the Korean campaign, according to the letter received from him by his parents.

Lieutenant Sheffer received a bullet wound in the fighting on October 9, and was evacuated to an Army base hospital in Japan where he is now recovering.

Lieutenant Sheffer is a graduate of West Point, class of 1946, and following his graduation received his Master of Business Administration degree at the University of Michigan in June, 1949. He was then transferred to Okinawa where he was stationed until four weeks ago, when he was assigned to an ordnance outfit in Korea.

MRS. SLAYBAUGH IMPROVED

The condition of Mrs. Glenn Slaybaugh, Biglerville, who suffered an acute heart failure last Saturday was said today by Dr. W. North Sterrett to be "satisfactory." She was removed to the Warner hospital following the attack and oxygen was administered several times during the week.

County Teachers To Dine Wednesday

The Adams county branch of the Pennsylvania State Education Association will hold its annual fall banquet at the Lutheran Parish house, Fairfield, next Wednesday at 7 o'clock, President Arthur M. Gordon announced Friday. The main speaker of the evening will be Eugene Bertin, associate secretary of the state branch of P.S.E.A. in charge of research.

A report will be given by Garnet Shellhase, a member of the Littlestown high school faculty, on the conference of classroom teachers which he attended last week-end at the Bedford Springs hotel. Reservation can be made for this dinner by contacting Miss Hazel Carson, Fairfield.

FREEDOM BELL DEDICATION TO BE CELEBRATED

Bells will ring throughout Adams county at 12:03 Tuesday afternoon in connection with the World Freedom Bell dedication in Berlin, Germany, Lawrence M. Sheads, chairman of the Crusade for Freedom drive in the county, announced today.

The ringing of bells locally will be part of a nationwide ceremony on Tuesday, United Nations Day, in which bells will ring out in unison with the first ringing of the World Freedom Bell in Berlin.

Members of the committee for the Crusade for Freedom throughout the county today were contacting ministers, firemen and others to ask them to have their bells ring out the tidings of freedom in connection for World Bell ceremony.

Plan Radio Broadcast

Burgesses of the various boroughs in the county were being asked today to join in a joint proclamation, to be published Monday, urging all the residents of their boroughs to participate in the bell ringing.

Touching off the observance will be a broadcast, scheduled to be heard over WGET, the National Broadcasting company, the Columbia Broadcasting company and the American Broadcasting company, direct from the scene of the dedication of the World Freedom Bell in Berlin. The broadcast will begin at 12 noon with an opening by the announcer, a dedication plus reading of the Declaration of Freedom by General Lucius D. Clay, national head of the Crusade for Freedom; ringing of the Freedom Bell and silent prayer for world freedom and peace, and the closing of the program.

The names of hundreds of countians will be placed along with the names of thousands of other Americans in the base of the bell tower in Berlin housing the Freedom Bell during the ceremony.

SUV Plans Nov. 19 Anniversary Event

Details of plans for the annual observance of the anniversary of the dedication of the Gettysburg National cemetery were outlined Friday evening at the regular meeting of the Gettysburg camp of the Sons of Union Veterans.

Named as the committee for the November 19 exercises in the National cemetery here were Dr. Joseph H. Riley, the Rev. Willis R. Doyle, Arthur Warman, David Tawney, Paul Snyder and G. Henry Roth.

The program is scheduled to follow the usual program for the event, with a talk and recitation of Lincoln's Gettysburg Address at the National monument, the spot where Lincoln delivered his address here 87 years ago, placing of a wreath on the graves of unknown Union soldiers and band music.

Further details were not announced pending acceptances of invitations to participate on the part of the speaker and various units to participate. Commander Joseph Riley presided at the meeting.

Headlight Charge Is Filed By Police

Henry Williams, Philadelphia, paid a fine of \$10 and costs to Justice of the Peace Robert F. Bell, Gettysburg R. 4, on a charge of failing to tilt his headlights, filed by state police of the Gettysburg substation.

Harold McCulloh, Jr., Mercersburg, was fined \$10 and costs by Justice of the Peace Walter Wolf, York Springs, on a charge of driving too fast for conditions.

Helen Elaine Tressler, Waynesboro, paid \$15 and costs to Justice of the Peace Roy Metz, Mt. Hope, for reckless driving.

PARENTS OF SON

A son, instead of a daughter as previously reported, was born to Mr. and Mrs. James Shetter, 44 East Water street, Wednesday, at the Warner hospital.

CULINARY ART OF DUTCH FOLK IS WELL KNOWN

All this week Pennsylvanians have been telling neighboring states about the opportunities and potentialities of Pennsylvania — not only that "Pennsylvania Has Everything," but ample evidence to prove it in the fifth annual observance of Pennsylvania Week.

Part of the tradition and culture within our commonwealth that is all too often forgotten is our contribution to the culinary art.

Early Pennsylvanians, especially the Pennsylvania Dutch, were heirs to a European culture deeply steeped in epicurean pleasures. This background was perhaps the reason why deep-dish apple pies appeared in Pennsylvania earlier than anywhere else in America—why the first specialized use of dried fruits in pies was started. Old Dutch ovens dehydrated and slow-dried cherries, apples, pears or plums to retain the juiciness of the fruit in preparation for a mouth-watering pie or apple schnitz and knupp.

The ingenuity and originality of Pennsylvania housewives raised Pennsylvania cooking to an art unapproached by that of any other section of the country.

To the early Swedes and Dutch settlers, Philadelphia scrapple, something called "penhaus," was indispensable.

Dinner with Pennsylvanians was always an event. Soup was the most popular beginning for a meal. Beef, Philadelphia pepper pot, brown potato chowder, brown flour, or the calf's head were popular and inexpensive and sometimes called "poverty soups."

Relishes were one of the main things in which the Pennsylvania housewife's originality and inventiveness were shown to best advantage. As late as 25 or 30 years ago, and even today in the rural districts, no housewife who had the slightest respect for herself would dream of asking her family, much less guests, to sit down to a table that didn't have at least the "seven sweets and seven sours" gracing the table. Rhubarb jam, lemon honey, cherry relish, pear marmalade and quince marmalade were included among the "sweets"; green tomato relish, cucumber relish, vegetable catsup and pickle relish were some of the "sours."

Fasnacht Day

As tribute to their baking skill, Fasnacht Day was observed once a year. On that day thousands and thousands of fasnachts were baked, and still are in some parts of the state. These doughnut-like treats are very good for dunking in coffee, or molasses, or both. Another unique recipe was shoe-fly pie. Another small-boy favorite was "funny cake" which started out to be a chocolate pie and ended up having plain cake dough poured over it just before it was baked. Pennsylvania cinnamon buns, too, were probably the biggest and best the world has ever known.

There are inns in our state today—comfortable, well aged, and mellow spots—where meals are still served in the former lavish fashion, where huge delicious dinners present three serious problems to the modern diner—what to choose, how to save room for the dessert, and how to become accustomed to modern cooking again.

STATE FLOWER IS 17 YRS. OLD

Pennsylvania's official state flower—the mountain laurel—celebrated its seventeenth birthday this year.

As the end of the month of May approached, the shrub, growing by the tens of thousands throughout the Commonwealth, began to burst into bloom.

Soft pink blossoms colored hills and plains and tinged softly lighted openings in the forests' hillides.

It is illegal to pick, break or damage, dig out the mountain laurel, as it is with any wild flower in this state, but the attraction of the annual blooming nonetheless attracted hundreds of artists, professional and amateur photographers, botanists and just plain nature-lovers.

Flowers In May

The attraction of the mountain laurel in Pennsylvania begins late in the month of May and runs well into June every year.

Sixteen years ago when the General Assembly was considering adoption of an official State Flower, the legislators passed two bills, each naming a favorite shrub—the pink azalea and the mountain laurel.

The final choice was thereby left up to the late Governor Gifford

Pinchot, who selected the bill naming the Mountain Laurel and signed it on May 5, 1933.

The mountain laurel shrub grows throughout the State, but is most common in the mountainous sections where it sometimes forms almost impenetrable thickets. A relatively small shrub in Pennsylvania, it usually is from four to ten feet high.

The mountain laurel is one of the very few broad-leaved shrubs native to Pennsylvania whose leaves are evergreen. They are lance-shaped, three to four inches long, glossy dark-green in color, and leather-like in texture.

Because of its beautiful flowers, its attractive foliage and its hardiness, the mountain laurel has been planted extensively as decorative shrubbery. It is one of the most common of the smaller woody plants on lawns and in parks.

Philadelphia, Oct. 23 (AP)—Sensational Harry Gold, 39-year-old chemist who confessed delivering atomic secrets to Russian agents, was delayed today—at the government's request—until December 7.

U. S. District Judge James P. McGranery said he was reluctant to delay further the sentence but did so since both the government and defense attorneys had agreed.

Letter to the Editor

Gettysburg, Pa.
October 17, 1950

The Editor
Gettysburg Times
Gettysburg, Pa.
Dear Sir:

During these times of war and high taxes, high cost of living, and talks of atomic bombs, everyone seems to be offering advice, and remedies on a national scale. Why not start at home and get the parasites off the relief and unemployment rolls so that they too can produce goods and help to carry the load like the good citizen?

It is true that there are deserving cases on relief, but is an ABLE-BODIED man with two cars and a telephone a deserving case? Is a man with a television set a deserving case? Is a man who is working four or five days a week and saving money to buy a car in need of relief? How does one find out these things? Go to your neighborhood grocery and ask the grocer about the relief checks? Go to the laproom and ask the bartender who the reliefers are? He knows. He works for his living and represents the man who has \$29 or \$30 to spend on drink because someone certifies an able-bodied man as unable to work so he gets his relief. (The Adams County Medical society recently went on record against this).

Why should unemployment checks go to anyone in Adams county during cherry, peach or apple season? Anyone in fair health can pick fruit, yet checks go out while there are "Help Wanted" signs in the Gettysburg Times. How can this be justified? Why not, as a newspaper, investigate these conditions and get Adams county to lead the state in correcting this tendency of the people to try to get something for nothing?

3 out of 5 have destructive wheel conditions but the owners don't know it!

Modern cars are designed to protect passengers from bumps, shocks and jars. That is why the shocks, vibration and strain caused by destructive wheel conditions are rarely felt by the driver, before it is too late.

Eventually destructive wheel misalignment or unbalance shows up in uneven tire wear, loose steering, shimmy, wobbling or wander. That is after serious damage is done—tires are ruined or the car is aged beyond its years.

Frequent Wheel Checks give you Safety and Saving

Just normal driving, striking a bump, or a curb or a rut, or changing a tire, may cause destructive wheel conditions without your knowing it.

The SAFE, sure, economical way is to have us check Wheel Alignment and Wheel Balance regularly. That way we can detect and correct destructive wheel conditions before much damage is done.

Get Acquainted—Drive in Today!

When you see our Scientific MANBEE Equipment for detecting and correcting destructive wheel conditions, you will quickly appreciate how we prolong the life of your tires and your car—give you extra SAFETY with increased driving comfort and satisfaction at negligible cost.

MANY ENTRIES IN EMMITSBURG BOROUGH SHOW

More than 600 entries have been received for the 20th annual Emmitsburg community show now being held under sponsorship of the Emmitsburg Women's club and the Emmitsburg Grange.

Started originally by the Women's club as a flower show, it has added needlework and farm products during the years.

Opening Friday night at the fire hall on West Main street in Emmitsburg, the show attracted a large attendance.

A Republican rally was held in the hall Thursday night making it necessary to erect all the display shelves, tables and booths Friday morning before entries could begin to be received and arranged for display.

Ribbons Awarded
With these entries coming in at the rate of several hundred per hour it required the service of a most capable committee which handled the work with great credit.

Judging began at 1 o'clock and was completed at 5 p.m. Blue ribbons were placed on the entries for first, red for second and yellow for third places. The show will open again to the public today from 2 to 10 p.m. No admission is charged, but everyone is asked to register and be eligible for a door prize. A food sale was held in connection with the show at 11 a.m. today.

\$135 In Prizes
More than \$135 will be given in prizes.

Chairmen for the show are Mrs. Charles L. Sharrer, Mrs. Morris Zentz, Mrs. Lawrence J. Orndorff, president of the Women's Homemakers club, and Mr. Weivell, master of the Grange.

Entries are displayed under approximately 75 classifications, including roses, ferns, dahlias, chrysanthemum, zinnias, cosmos, asters, single and basket, potted plants, mixed, etc., apples, turnips, peppers, beets, corn, oats, wheat, barley, potatoes, cabbage, onions, string beans, celery, squash, pumpkins, tomatoes, carrots, limas, radishes, melons, eggs, nuts, squash, country ham, canned meat—tenderloin, chicken, pork beef—jellies, jarred fruits and vegetables of all kinds, pastry, including pies, cakes, cookies, biscuits, bread and rolls, candy and needle work.

News Briefs

Philadelphia, Oct. 21 (AP)—Switchboards at one exchange of the American Telephone and Telegraph company were operated by supervisory personnel for three hours yesterday when more than 300 long distance operators walked out in a seniority dispute.

The operators, members of Local 11, Division 10, Communications Workers of America (CIO), said they will meet again tomorrow to decide further action if the company has not agreed to discuss changing the seniority setup.

Pottsville, Pa., Oct. 21 (AP)—Three Orwigsburg clergymen have protested use of the town's new World War II memorial building for Sunday sports and bingo games.

The protest was made in a letter to Linwood P. Krater, secretary of the Community Memorial, Inc. Revs. Gilbert Batholomew, Carl B. Henderson and C. Elwood Huegel opposed what they term use of the building "for any event or occasion that tends to desecrate the Sabbath Day or that contributes to delinquency of morals in this community."

Philadelphia, Oct. 21 (AP) — If a Democratic message can be sent to people in Communist-dominated countries the iron curtain will become a sieve, says Harold E. Stassen, president of the University of Pennsylvania.

Getting that message to the people is one of the big problems of the free world's war against totalitarianism. Stassen told a luncheon in his honor Thursday. It was sponsored by the Chestnut Street association, a group of merchants and bankers.

Funeral services for Robert Elwood Arndt, 21, of 159 North Stratton street, who was fatally injured in an auto-truck accident Tuesday evening on the Biglerville road, will be held at 2 o'clock this afternoon from the Bender funeral home conducted by the Rev. Warrior Gridders Defeat Shippensburg High 18-2 For Second League Victory

Gettysburg high school's football machine gained its second straight South Penn conference victory Friday night by defeating Shippensburg 18-2 on the Greyhounds' new field before approximately 1,500 fans. The victory gives the locals an over-all season record of four wins against two reverses.

The victory was a costly one for the Warriors, Dick Miller, hard-running back, suffering a fractured collarbone in the last period which will keep him out of action for the balance of the season.

Robert Miller, another back, received a muscle separation in his hip which will probably keep him on the side-lines for next Friday's contest here with Chambersburg, current conference leaders.

Coach Howard Shoemaker's outfit scored in the middle of the first period. After working the ball deep into enemy loam, Bill Singley whipped a pass to Bill Heyser from the 23-yard line on the goal line for the score. Heyser made a fine catch, taking the ball off the fingertips of a Greyhound defender. "Soapy" Davis had the first of his three attempted conversions blocked.

Greyhounds Threaten Neither team could manufacture a score in the second quarter but near the end of the half the Warriors reached the Greyhound 7. On the next play Singley was tossed for a six-yard loss and the half ended at that point.

Shippensburg tabbed its safety on the second half kickoff. "Curley" Miller of the Greyhounds got off a long kick which was fumbled in the end zone by a Warrior back and Miller made the tackle.

Later in the same period Shippensburg reached the Gettysburg 31 but Shoop lost eight yards on the next play as the fine Warrior defense broke through and the ball went to Gettysburg at that point on downs.

Tonsel Races 34 Yards Early in the fourth quarter Gettysburg took the ball on its own 20 after a 45-yard punt by Keefer. The Warrior attack moved the pigskin to the Greyhound 34 from where Wayne Tonsel swept around right end to hit pay dirt.

Bill Singley accounted for the final local touchdown when he snared a pass thrown by Miller, of Shippensburg, and streaked 35 yards.

BROWNS, GIANTS MEET IN SCRAP FOR 1ST PLACE

New York, Oct. 21 (AP)—Ten of the 13 National Football league teams will see action tomorrow, with the Cleveland Browns-New York Giants clash at the Polo grounds heading the agenda.

All six American conference clubs are to play, with two National conference contests rounding out the schedule.

In addition to the Browns-Giants game, others listed in the American section are: Philadelphia Eagles at Pittsburgh Steelers and Chicago Cardinals at Washington Redskins.

The National games send Detroit to San Francisco and Baltimore to Los Angeles.

First place will be at stake when the front-running Browns invade the home of Steve Owen's Giants. Although the New Yorkers handed the conference leaders their lone defeat, 6-0, on October 1, Cleveland is expected to turn the tables and make its season record five victories against one loss.

The Giants take a 3-1 record into the game. They tied up the Browns' pass master, Otto Graham, in their previous meeting but no team has been able to score two straight over the club that won the all America conference crown four straight years.

Simmons will study there for seven weeks. Then he will return here to assist in the physical education program of the division.

OFFERS TO PAIR RAM PRO TEAM WITH ARMY 11

Los Angeles, Oct. 21 (AP) — As a result of his uncomplimentary evaluation of professional football, Earl (Red) Blaik, head coach at Army, today faced the unhappy prospects of having to prove it.

The colonel may now include among his dissenters about every pro coach in the country; his No. 1 pupil at Army, Glenn Davis; pro players, some college coaches, an assortment of plain citizens and the American Legion.

If Blaik's Simon Pures are better than the pros, a legion group said here yesterday, let him prove it on the gridiron.

When the colonel wrote in a national magazine (Collier's) that the Pros play "a showman's game and not football," the effect was tantamount to what happens when you spit tobacco juice on an ant hill.

Bring your Army team out here, challenged Harry Myers, director of events for the Legion's Los Angeles county council. Let the Cadets meet "the third best team in the National Football league" in a December charity contest.

"I am sure the country will be interested in your response," wrote Myers, who went to high school with Blaik in Dayton, Ohio. Myers went on to say that thousands of people "who know professional football to be superior to college football" will deeply resent Blaik's statements.

Davis, Blaik's most famous performer at West Point, submitted his resentment politely. "I have a sincere respect for Colonel Blaik," said the onetime Mr. Outside, now starring for the Los Angeles Rams. "However, I have found pro football to be a much more demanding sport than the college game."

Canner Jr. High In 7-7 Deadlock

The Biglerville Junior high school football team tied the Bolling Springs Junior high eleven 7-7 Friday evening in a game played on the Biglerville gridiron.

The Bubblers took an early lead by scoring a first period TD after recovering a Canner fumble on the Biglerville 25-yard line. Tanger made the visitors' tally on a buck from the three-yard stripe. He also added the extra point on a line buck. In the second and third periods the game was played mostly between the 30-yard stripes.

The Canners threatened twice in the fourth quarter before pushing over the tying score. The first drive was halted on an intercepted pass. The Canners retaliated by intercepting a Bubbler pass and converting the break into a touchdown. Hutton carried the ball into the end zone from the 2. He also made the conversion on a line buck.

Sports Roundup

By HUGH FULLERTON, JR.

New York, Oct. 21 (AP) — In spite of yelps about radio, television, etc., hurting minor league baseball, International League President Shag Shaughnessy figures the 24-hour recall of optioned players has damaged his circuit more than anything else.

That's what really ruined Jersey City, says Shag. . . The team was just going well when the Giants started calling up men on short notice and without sending adequate replacements. . . The same sawk has been heard from other cities.

Seems that nobody is ignoring Ted Collins' football Yanks these days except the cash customers. The Bears had Hunk Anderson, Luke Johnson, Walt Halas and Fido Murphy on hand for Thursday's tussle with the Packers. . . How tough is Army? Well, after Penn State took a licking from the Cadets, the boys who played the best and longest for State didn't complain about feeling sore and bedraggled until the next Thursday. Presumably they couldn't feel anything up to that time.

METHOD-IST IN HIS MADNESS

Stewart Herral, Oklahoma university publicity director, also is an ordained Methodist minister (wolla combination!) and before each game at Norman he has been offering a prayer for the O. U. team. . . So the other day, Herral got a letter from an Indiana U. alumnus, asking what his fee would be to come to Bloomington and pray for the Hoosiers. . . "Our next six games are with Notre Dame, Illinois, Michigan State, Michigan, Marquette and Purdue," the old grad explained.

SHORTS AND SHELLS

Harvard fullback Johnny West will play the same position against Army today that his brother Bill played for Army a few years ago.

Bill was under Doc Blanchard at Army; Johnny probably will be under a whole Army platoon most of the time. . . Pitt, which already has had four footballers called by the Marine reserves, got more bad news this week when Mike Boldin and Don Karanovich, veteran guards, took physical exams prior to being recalled to duty as infantry lieutenants. . . Max McGee, Tulane's 193-pound freshman fullback, is a younger brother of Notre Dame's Coy McGee. There's nothing coy about Max.

Shut Down Illegal Television Station

Washington, Oct. 21 (AP)—The Federal Communications commission said yesterday it has located and closed down an illegal television station—its first.

The station, atop a Pennsylvania mountain, was being operated by the Tube Division of Sylvania Electric Products, Inc., Emporium, Pa., the FCC said. Sylvania is one of the country's largest producers of television tubes.

The explanation given by company officials for the unlicensed operation, the commission said, was that they needed TV service in their business but knew the two-year-old freeze on TV broadcasting permits ruled out new station permits.

French Abandon Frontier Fortress

Saigon, Indo-China, Oct. 21 (AP)—French forces abandoned their frontier headquarters fortress at Langson today, leaving hundreds of square miles of Indo-China territory on the Chinese border wide open to the Communist-led rebels of Ho Chi Minh.

Langson, held by the French for 78 years, guarded the main invasion gateway into Indo-China from Communist China. Its abandonment swings wide the frontier door to permit the supply of Chinese resources to the rebels and the establishment of training bases for them in Red China.

It was the sixth northern frontier post from which the French have withdrawn in five weeks. They pulled out of Dongkhe on September 16, Saobang on October 3, Thakhe on October 10, Nacham on October 16 and Dong Dang on October 17.

CARLISLE HIGH DOWNS DELONE GRIDDERS 27-13

Delone Catholic high, of McSherrystown, dropped a 27-13 decision to the undefeated Carlisle high gridders Friday evening at Carlisle before approximately 3,500 fans.

In the opening period Carlisle marched 80 yards for a score, Darr going off tackle from the 10-yard mark for the tally.

A fumble on the 15-yard line by Carlisle opened the way for Delone's initial score in the second period. After grinding out a first down on three plays, the Squires scored when Timmons went over from the 2. The Squires missed on their try for the extra point.

A 49-yard run by Alexander early in the third period produced the second Carlisle score.

Again the Squires came back and moved from midfield to the Herd 2-yard line from where Sheaffer plunged over.

Late in the third period Carlisle went 60 yards to tally, Lowery, a tackle, plunging over from the 5.

The final Carlisle score resulted in the last period when Hawbaker raced to the Delone 20 on a 45-yard punt return. Darr then scored from that point on an end sweep.

The Squires will next meet St. Matthews Catholic, of Conshohocken, at McSherrystown Sunday afternoon, October 29.

Warrior Gridders Defeat Shippensburg High 18-2 For Second League Victory

Gettysburg high school's football machine gained its second straight South Penn conference victory Friday night by defeating Shippensburg 18-2 on the Greyhounds' new field before approximately 1,500 fans. The victory gives the locals an over-all season record of four wins against two reverses.

The victory was a costly one for the Warriors, Dick Miller, hard-running back, suffering a fractured collarbone in the last period which will keep him out of action for the balance of the season.

Robert Miller, another back, received a muscle separation in his hip which will probably keep him on the side-lines for next Friday's contest here with Chambersburg, current conference leaders.

Coach Howard Shoemaker's outfit scored in the middle of the first period. After working the ball deep into enemy loam, Bill Singley whipped a pass to Bill Heyser from the 23-yard line on the goal line for the score. Heyser made a fine catch, taking the ball off the fingertips of a Greyhound defender. "Soapy" Davis had the first of his three attempted conversions blocked.

Greyhounds Threaten
Neither team could manufacture a score in the second quarter but near the end of the half the Warriors reached the Greyhound 7. On the next play Singley was tossed for a six-yard loss and the half ended at that point.

Shippensburg tabbed its safety on the second half kickoff. "Curley" Miller of the Greyhounds got off a long kick which was fumbled in the end zone by a Warrior back and Miller made the tackle.

Later in the same period Shippensburg reached the Gettysburg 31 but Shoop lost eight yards on the next play as the fine Warrior defense broke through and the ball went to Gettysburg at that point on downs.

Tonsel Races 34 Yards
Early in the fourth quarter Gettysburg took the ball on its own 20 after a 45-yard punt by Keefe. The Warrior attack moved the pigskin to the Greyhound 34 from where Wayne Tonsel swept around right end to hit pay dirt.

Bill Singley accounted for the final local touchdown when he snared a pass thrown by Miller of Shippensburg, and streaked 35 yards.

BROWNS, GIANTS MEET IN SCRAP FOR 1ST PLACE

New York, Oct. 21 (AP)—Ten of the 13 National Football league teams will see action tomorrow, with the Cleveland Browns-New York Giants clash at the Polo grounds heading the agenda.

All six American conference clubs are down to play, with two National conference contests rounding out the schedule.

In addition to the Browns-Giants game, others listed in the American section are: Philadelphia Eagles at Pittsburgh Steelers and Chicago Cardinals at Washington Redskins.

The National games send Detroit to San Francisco and Baltimore to Los Angeles.

First place will be at stake when the front-running Browns invade the home of Steve Owen's Giants.

Although the New Yorkers handed the conference leaders their lone defeat, 6-0, on October 1, Cleveland is expected to turn the tables and make its season record five victories against one loss.

The Giants take a 3-1 record into the game. They tied up the Browns' pass master, Otto Graham, in their previous meeting but no team has been able to score two straight over the club that won the all America conference crown four straight years.

A 49-yard run by Alexander early in the third period produced the second Carlisle score.

Again the Squires came back and moved from midfield to the Herd 2-yard line from where Sheaffer plunged over.

Late in the third period Carlisle went 60 yards to tally, Lowery, a tackle, plunging over from the 5.

The final Carlisle score resulted in the last period when Hawbaker raced to the Delone 20 on a 45-yard punt return. Darr then scored from that point on an end sweep.

The Squires will next meet St. Matthews Catholic, of Conshohocken, at McSherrystown Sunday afternoon, October 29.

Carlisle High Downs Delone Gridders 27-13

Delone Catholic high, of McSherrystown, dropped a 27-13 decision to the undefeated Carlisle high gridders Friday evening at Carlisle before approximately 3,500 fans.

In the opening period Carlisle marched 80 yards for a score, Darr going off tackle from the 10-yard mark for the tally.

A fumble on the 15-yard line by Carlisle opened the way for Delone's initial score in the second period. After grinding out a first down on three plays, the Squires scored when Timmons went over from the 2. The Squires missed on their try for the extra point.

French Abandon Frontier Fortress
Saigon, Indo-China, Oct. 21 (AP)—French forces abandoned their frontier headquarters fortress at Langson today, leaving hundreds of square miles of Indo-China territory on the Chinese border wide open to the Communist-led rebels of Ho Chi Minh.

Langson, held by the French for 78 years, guarded the main invasion gateway into Indo-China from Communist China. Its abandonment swings wide the frontier door to permit the supply of Chinese resources to the rebels and the establishment of training bases for them in Red China.

It was the sixth northern frontier post from which the French have withdrawn in five weeks. They pulled out of Dongkhe on September 16, Saobang on October 3, Thatke on October 10, Nacham on October 16 and Dong Dang on October 17.

Shut Down Illegal Television Station
Washington, Oct. 21 (AP)—The Federal Communications commission said yesterday it has located and closed down an illegal television station—its first.

The station, atop a Pennsylvania mountain, was being operated by the Tube Division of Sylva Electric Products, Inc., Emporium, Pa. The FCC said, Sylva is one of the country's largest producers of television tubes.

The explanation given by company officials for the unlicensed operation, the commission said, was that they needed TV service in their business but knew the two-year-old freeze on TV broadcasting permits ruled out new station permits.

News Briefs

Moscow, Oct. 21 (AP)—Pravda heaped scorn Friday on Harold E. Stassen, calling him silly, crude, ridiculous and several other things for requesting a conference with Prime Minister Stalin on world peace.

One of the Communist party newspaper's top commentators, Yuri Viktorov, signed the article, the first comment on the October 2 letter by the former Republican governor of Minnesota to Stalin urging face to face peace talks.

Harrisburg, Oct. 21 (AP)—A letter lauding Governor James H. Duff sent by a state teachers' college president has come in for adverse criticism by the Democratic state committee.

Harry L. Kriner, Shippensburg State Teachers' college president, sent the letter to alumni along with another from the general alumni requesting payment of annual dues, the Democratic committee said yesterday.

London, Oct. 21 (AP)—Only 86 persons in the United Kingdom were left with an earned income of \$6,000 (\$16,800) a year after they paid income and surtaxes for the year ending in March, 1949. Ten years before there were 6,500 persons in the 6,000-pound-a-year class.

The income-leveling effect of the complex British income tax scheme was demonstrated graphically by the report of the commissioners of inland revenue, published today.

Washington, Oct. 21 (AP)—Proclaiming Thanksgiving Day, President Truman Thursday called upon all Americans "in church, chapel and synagogue, in their homes and in the busy walks of life, every day and everywhere, to pray for peace."

Under legislation which Congress approved in 1941, Thanksgiving Day falls each year on the fourth Thursday of November — this year the 23rd.

Frankfurt, Germany, Oct. 21 (AP)—Informed Allied sources here believed today that one major purpose of the Soviet bloc Foreign Ministers' meeting in Prague is to devise schemes for offsetting the Communist loss of face in Korea.

The conference between Soviet Deputy Premier V. M. Molotov and ministers of seven other Communist states has as its official topic

conference yesterday that Gen. Douglas MacArthur and he discussed Indo-China in their Wake Island conference but that no decisions were made.

Indications are that as part of the policy review officials have considered the possibility of action along the new lines:

1. Sending American forces to assist the anti-Communist fight in Indo-China. Authorities said, however, there is no present plan to same that ended in a 6-6 tie.

2. Throwing the whole situation into the United Nations. On this point, officials reported that such a move would be up to the French, who have primary responsibility in Indo-China, and that the United States has not urged the French to act.

But a week-long policy review in the government was mostly negative except for the decision announced last week to speed American arms shipments to Indo-China. These shipments have a priority second only to arms for Korea.

President Truman told his news the "Remilitarization of Western Germany."

Philadelphia, Oct. 21 (AP)—Harold E. Stassen, twice unsuccessful in his bid for the Republican Presidential nomination, said today he still is hopeful that Russia's Joseph Stalin "will answer my letter in the interest of world peace."

Stassen, former GOP governor of Minnesota and now president of the University of Pennsylvania, wrote Stalin October 1 asking for a face-to-face conference to stop "the drift to war."

New York, Oct. 21 (AP)—Buddy Young's return to his oldtime form is largely responsible for the success of the New York Yanks, who lead today in their division of the National Football league.

Thanks to some nifty foot work and pass-catching by the five-foot-five speedster, the Yanks won their fifth game in six starts last night by whipping the Green Bay Packers at Yankee Stadium, 35-17.

CHINESE REDS IN INDO-CHINA

Washington, Oct. 21 (AP)—American officials said Friday the Chinese Communists have given substantial help, in the form of weapons and training, to Red forces in Indo-China. Communist advances in that embattled country are largely attributed to this assistance.

Top United States authorities have been searching for ways in which this country might help the French and native Indo-Chinese armies meet the situation, which is regarded here with increasing concern.

But a week-long policy review in the government was mostly negative except for the decision announced last week to speed American arms shipments to Indo-China. These shipments have a priority second only to arms for Korea.

President Truman told his news the "Remilitarization of Western Germany."

MANY ENTRIES IN EMMITSBURG BOROUGH SHOW

More than 500 entries have been received for the 20th annual Emmitsburg community show now being held under sponsorship of the Emmitsburg Women's club and the Emmitsburg Grange.

Started originally by the Women's club as a flower show, it has added needlework and farm products during the years.

Opening Friday night at the fire hall on West Main street in Emmitsburg, the show attracted a large attendance.

A Republican rally was held in the hall Thursday night making it necessary to erect all the display shelves, tables and booths Friday morning before entries could begin to be received and arranged for display.

Ribbons Awarded
With these entries coming in at the rate of several hundred per hour it required the service of a most capable committee which handled the work with great credit.

Judging began at 1 o'clock and was completed at 5 p.m. Blue ribbons were placed on the entries for first, red for second and yellow for third places. The show will open again to the public today from 2 to 10 p.m. No admission is charged, but everyone is asked to register and be eligible for a door prize. A food sale was held in connection with the show at 11 a.m. today.

\$135 In Prizes
More than \$135 will be given in prizes.

Chairmen for the show are Mrs. Charles L. Sharer, Mrs. Morris Zentz, Mrs. Lawrence J. Orndorff, president of the Women's Homemakers club, and Mr. Weivell, master of the Grange.

Entries are displayed under approximately 75 classifications, including roses, ferns, dahlias, chrysanthemum, zinnias, cosmos, asters, single and basket, potted plants, mixed, etc., apples, turnips, peppers, beets, corn, oats, wheat, barley, potatoes, cabbage, onions, string beans, celery, squash, pumpkins, tomatoes, carrots, limas, radishes, melons, eggs, nuts, squash, country ham, canned meat—tenderloin, chicken, pork beef—jellies, jarred fruits and vegetables of all kinds, pastry, including pies, cakes, cookies, biscuits, bread and rolls, candy and needle work.

St. Ignatius Women Meet On Thursday

St. Ignatius parish council of Catholic Women met Thursday evening in St. Ignatius rectory with Mrs. Eleanor O'Leary as hostess. The opening prayer to our Lady of Good Counsel was given by the pastor, the Rev. Fr. Louis J. Yeager. It was announced by the president, Miss Catherine E. Miller, that the annual Day of Recollection will be held at St. Joseph's academy, McSherrystown, Sunday, November 5. Reservations must be in by October 30.

The new clothing for the Pope's warehouse for infants and children will be collected November 12. Reports of the recent Deamery meeting were given. The Shrine-in-the-Homes committee suggestions were reviewed by the president. Final arrangements were made for the annual Halloween party to be held today in the parish hall.

After the business meeting, the study club discussion of marriage laws followed with Miss Grace Kane, chairman, in charge. The meeting closed with prayer. Refreshments were served by the hostess. The next regular meeting will be held at the home of Miss Catherine E. Miller, Hilltown.

Sgt. King Awarded Promotion In Korea

SFC. John L. Trimmer, York Springs, who is serving with the U.S. Army in Korea, has been promoted to the grade of master sergeant.

The promotion was in recognition of Sergeant Trimmer's ability as chief clerk in the troop information and education section of a logistical command in Korea.

Sergeant Trimmer entered the U.S. Army in May, 1944, at New Cumberland. He served as a field first sergeant of an infantry training unit during World War II. Arriving in the Far East Command in August, 1950, Sergeant Trimmer was assigned to the United States Army in Korea during the same month.

He is the son of Mrs. John C. Trimmer, York Springs. His wife, Mrs. Winifred E. Trimmer, and three children, Sally Beth, 9, Dwight L., 4, and Roger C., 2, reside at York Springs.

Lt. Johnson Served As Korean Observer

Second Lt. Richard A. Johnson, son of Col. and Mrs. Edwin H. Johnson, of Gettysburg, and a member of Battery "C" 674th Airborne Field Artillery Battalion, participated in the Kimpo Peninsula campaign 15 miles south of the 38th Parallel in Korea with the 3rd Battalion of the 187th Regimental Combat team as a forward observer.

Lieut. Johnson was flown from Ashiya Air Force base in Japan to the newly-liberated Kimpo Air Base situated between Inchon and Seoul. He received his commission September 2, 1949. He qualified as a parachutist and gliderman at the Airborne School at Fort Benning, Ga., March 8, 1950. He joined Battery "A" of the 675th Airborne Field Artillery Battalion of the 11th Airborne Division at Fort Campbell, Ky. He transferred to Battery "C" of the 674th Airborne Field Artillery Battalion, August, 1950, and accompanied Battery "C" to Japan before going into combat with the 3rd Battalion of the 187th Regimental combat team.

Lieutenant Johnson graduated from Gettysburg high school in 1947. He served as business manager of the year book at the high school.

Democrats Plan Rally
Democratic Committee Chairman J. Lester Nester has announced a giant rally to be held in Emmitsburg, Saturday, October 28, at 8 p.m. at the White House Inn. Most of the Democratic candidates for county offices will attend and it is expected that the rally will be addressed by either Governor Lane or Major Hartle, candidate for Congress. Food and refreshments will be served. Chairman Nester has also announced that a caravan of candidates including Governor Lane, candidate for reelection; Millard Tydings, candidate for reelection to the U.S. Senate; General Russell P. Hartle, candidate for Congress; J. Millard Taves, candidate for comptroller; Hall Hammond, candidate for reelection to attorney general; and Frederick county candidates and party leaders, will lunch at the newly opened Green Parrot tea shop, where Governor Lane and his party have made reservations. They will greet the local citizens at the square about noon Monday.

With the final play-off series tied up at one-all, Middleburg and the local Hanover Shoe will battle it out for championship in the Penn-Maryland league here Sunday afternoon on the community field.

Weddings

Mathias-Troxell
Miss Isabelle J. Troxell, daughter of Mr. and Mrs. Edgar Troxell of Rocky Ridge, Md., and Kenneth Mathias, son of Mr. and Mrs. Robert Mathias of near Graceham, Md., were united in marriage Friday at 7 p.m. in the Mt. Tabor Lutheran church, Rocky Ridge, Md., by the pastor, the Rev. R. S. Poffenberger. The double ring ceremony of the Lutheran church was used and the bride was given in marriage by her father. The bride selected Miss Hazel Keiholtz as her maid of honor and the groom his brother, Paul, to be best man. The bride wore a beige dress with brown accessories and the bridesmaid was dressed in grey with blue accessories. The couple left immediately on a wedding trip to the south. They will reside on their own recently-purchased farm, near Rocky Ridge.

Upper county baseball fans will have probably their final opportunity to witness a baseball game this season when Weaverville and Fairfield clash on the Arendtsville diamond Sunday at 2 p.m. in a Penn-Adams league playoff game.

Charles Myers, Biglerville, is confined to his bed but is reported to be recovering from a heart attack which he suffered recently.

"For Good or Evil," the ULCA and Cathedral film which was produced in Arendtsville, will be shown Sunday evening at 7:30 o'clock at the Weaverville Lutheran church.

Three directors of occupational therapy from hospitals in Mississippi are spending two weeks at Creative Crafts, Guernsey, studying weaving and methods to take back to their groups. They are Mrs. Claudia Garner of Meridian, Miss.; Mrs. Luella Vanderbilt Sanders, of Whitfield, Miss.; and Fred Moore of Ellenville, Miss.

The director of craftwork for all the institutions of Mississippi selected this region as offering more complete preparation for their work than similar schools further south. While here the delegation is visiting the hospitals of Harrisburg, South Mountain Sanatorium, and Washington, D. C., in order to make a constructive report to their director on the scope of craftwork being taught in the hospitals of Pennsylvania and Washington.

"We've lost several early morning coffee-drinkers since we've increased the price of coffee. Some regular coffee-drinkers now order a doughnut or roll and a glass of water. All of that is alright but, two of those who quit us forget that the boss spends between \$250 and \$450 a month at each of their business places, and everything we buy has increased a number of times since I've been doing the buying, but we didn't say a thing, just kept on doing business with them. Maybe we'll change, I don't know. It's up to the boss."

DECREE SIGNED
A decree was signed in Equity Court, Frederick county, Maryland, granting Mrs. Ruth A. Russell, Emmitsburg, an absolute divorce from Edward S. Russell, Gettysburg R. 2. The plaintiff, who was represented by Edward D. Storm, is required to pay the costs.

News Briefs

Philadelphia, Oct. 21 (AP)—Switchboards at one exchange of the American Telephone and Telegraph company were operated by supervisory personnel for three hours yesterday when more than 300 long distance operators walked out in a seniority dispute.

The operators, members of Local 11, Division 10, Communications Workers of America (CIO), said they will meet again tomorrow to decide further action if the company has not agreed to discuss changing the seniority setup.

Pottsville, Pa., Oct. 21 (AP)—Three Orwigsborg clergymen have protested use of the town's new World War II memorial building for Sunday sports and bingo games.

The protest was made in a letter to Linwood P. Krater, secretary of the Community Memorial, Inc. Rev. Gilbert Batholomew, Carl B. Henderson and C. Elwood Hugel opposed what they term use of the building "for any event or occasion that tends to desecrate the Sabbath Day or that contributes to delinquency of morals in this community."

Philadelphia Oct. 21 (AP)—If a Democratic message can be sent to people in Communist-dominated countries the iron curtain will become a sieve, says Harold E. Stassen, president of the University of Pennsylvania.

Getting that message to the people is one of the big problems of the free world's war against totalitarianism. Stassen told a luncheon in his honor Thursday. It was sponsored by the Chestnut Street association, a group of merchants and bankers.

John DeVine, New Oxford, and by several nieces and nephews.

She was a member of St. Rose of Lima church, York.

Funeral services at 8:30 a.m. Monday at W. J. Boll Funeral home, York. High mass of requiem will be at 9 a.m. at St. Rose of Lima church. Interment in Calvary cemetery, Dayton, Ohio, Wednesday.

TEN YEARS AGO

Charles Laughton Prints His Own Copy of Lincoln's Speech: Charles Laughton, the noted English actor, visited the Franklin Institute at Philadelphia, last week to inspect the Ramage press, on which was printed soon after the dedication of the National Cemetery the immortal speech of Abraham Lincoln.

It is the Ramage press which has been loaned by the Times and News Publishing company, as an exhibition in the Colonial Print Shop in the Museum of the Franklin Institute, Philadelphia.

Mr. Laughton's rendition of the Gettysburg Speech in "Rugles of Red Gap" film, was one of the outstanding performances that has characterized his many successes.

To Open Beauty Shoppe: Ann's Beauty Shoppe will be opened on or about October 28, at 207 Baltimore street by Mrs. Ann (Mauts) Bachensky. Mrs. Bachensky has had ten years' experience as a hairdresser. New equipment will be installed in the shoppe.

Guise-Schriver: In a ceremony performed Saturday noon in the chapel of Keller Memorial Lutheran church, Washington, D. C., Miss Marian Sara Schriver, daughter of Mr. and Mrs. Harry E. Schriver, of Gettysburg R. 3, became the bride of Merle Elwood Guise, Harrisburg, son of Mr. and Mrs. Allen W. Guise, Gardeners. The Rev. J. Harold Mumper, a cousin of the bride, performed the single ring ceremony.

Kemper-Reinecker: Miss Pauline Reinecker, daughter of Mr. and Mrs. Norman Reinecker, Aspers R. D., and Dale Kemper, son of Mrs. Fannie Kemper, Heidelsburg, were united in marriage Saturday evening at 8 o'clock in the Grace Evangelical Lutheran church, Westminster, Maryland. The single ring ceremony was performed by the Rev. Paul Quay.

Geiman-Fleming: Miss Geraldine Fleming, daughter of Mr. and Mrs. Harry Fleming, and Walter Geiman, son of Mrs. Eva Geiman, all of Gettysburg R. 4, were united in marriage Saturday morning at 10 o'clock in the parsonage of the York Springs Methodist church.

The ceremony was performed by the Rev. H. E. Millard.

Miss Rosensteel Weds W. H. Small in Baltimore: Tuesday morning at 10 o'clock in St. Gregory's Catholic church, Baltimore, Miss Ava Maria Rosensteel, daughter of Mr. and Mrs. Francis H. Rosensteel, 42 West High street, and William H. Small, son of Walter A. Small, South Washington street, were united in marriage at a nuptial mass conducted by the Rev. Fr. Charles H. Yingling, a cousin of the bride.

Miss Nellie Redding was the maid of honor and William H. Plank was the best man. The bridesmaid was Miss Corinne Rosensteel and the flower girl was Angela Small.

For the last eight years Mr. Small has been employed as a compositor by the Times and News Publishing company.

Today's Talk

By GEORGE MATTHEW ADAMS

TAKE IT EASY

Again I say that Nature is our greatest teacher—she takes time to work out her plans. Many years ago I visited those great trees in California—some of them young when Christ was born. You can't rush the growth of a tree, but you can keep it in good health while growing and help to prevent its dying.

Every flower has a certain time in which to mature, as has every animal. The great Creator planned it that way. When man interferes with that law he lowers the quality of the product. The life span of man has been increased because we have gotten closer to the very laws that extend life.

The majority of automobile accidents result from too much speed, and not taking it easy and observing the rules of safe driving. More people worry out than wear out. Relaxed workers are the best workers, and the happiest. They accomplish most. Take it easy and there will be given to you additional enjoyment as well.

People take stimulants, erroneously thinking they pep them up. They do the opposite. They slow them up and disarrange the natural process of the mind and body. It's like whipping a dog to make him more obedient. His natural pride is hurt and his loyalty is decreased. The champion golfer keeps relaxed. By taking it easy he confounds his anxious adversary.

By taking time to think things out one's errors are reduced, and one's judgment is increased. You have read or heard of that admonition to be slow to anger. By taking it easy, when in a tight place, you increase your ability to come out all right. In a dispute, by letting the other fellow "talk it out," you have the better chance to win your argument—and perhaps save trouble in the bargain!

During the most crucial moments, preceding the Civil War between the States, it was Lincoln who stated that nothing was lost by taking time, and considering everything before initiating war. Trouble usually results from not taking it easy when emergencies arise. Take it easy and your regrets will remain at a minimum!

DISH DRIER

There's many a task I have put aside
To follow my fondest wishes.
But I'm not too proud to be allowed
To help with the supper dishes.

I'm on good terms with pantry shelves
And as well did Mother Hubbard
So long ago, I have come to know
The mysteries of a cupboard.

I'm at home at any one's kitchen sink,
These are words that I am not
mincing.

I've been brought up to dry plate
and cup
And I know what is meant by
rinsing.

The times of a fork I never neglect.
Let this be the end of the matter.
It's never a case of losing face
When I polish a silver platter.

of Dr. Knox: Dr. John J. Knox, son of Mr. and Mrs. John H. Knox, Gettysburg R. 3, and Miss Rita Helene Jackson, Gloucester City, New Jersey, were united in marriage Saturday morning at 9 o'clock in St. Mary's Catholic church at Gloucester City. The ceremony was performed by the rector, the Rev. Fr. Lucetti. Dr. Knox began the practice of medicine at 27 York street one year ago today.

The couple was attended by Miss Kathryn Jackson as the maid of honor and Dr. Frederick J. Vollmer as best man.

Farmers' Day: Two big parades, more than 2,000 individual exhibits, \$1,028 in prizes and band concerts brought thousands to Gettysburg Thursday as Farmers' Day was revived as a big day in Adams county. The thousands that lined the streets for both the afternoon parade of the county farmers and the evening procession by Adams county fire companies and neighboring communities began arriving here early Thursday morning.

The afternoon parade was headed by Chief Marshal John C. Bream. The Junior Legion color guard and drum and bugle corps of Gettysburg, the Blue and Gray band, the drum and bugle corps of the Girl Scouts of St. James Lutheran church, the Gettysburg high school band, the Ralph McDonnell family orchestra and the York Springs band were in the line of march.

James B. Aumen in an automobile headed the procession of fire companies as chief marshal. Motor police formed an escort for the column.

Bringing up the rear of the column was a "darktown fire company," presented by members of the Reaser Hose company of Gettysburg.

HENRY STIMSON DIES FRIDAY OF HEART ATTACK

HENRY L. STIMSON

Cold Spring Harbor, N. Y., Oct. 21 (AP)—Henry L. Stimson, the first American to hold cabinet office under four Presidents, died yesterday of a sudden heart attack. He was 83 years old.

Stimson was secretary of war under Presidents William Howard Taft, Franklin D. Roosevelt and Harry Truman, and was Herbert Hoover's only secretary of state.

Three months ago Stimson fell and broke his hip, but was making a good recovery and getting about with wheelchair and crutches. Yesterday afternoon he and Mrs. Stimson set out on a drive around the estate. He was stricken in the car, was taken home immediately, and died a few minutes later.

Stand Vindicated

Stimson was the first leading statesman in any western country to demand a tough crackdown on the aggressors of the 1930s. His policy failed at the time, but as America's secretary of war from Pearl Harbor to Hiroshima, he directed the army and air force that helped redeem it.

While Stimson's four years as secretary of state, 1929 to 1933, were distinguished, military men and historians have ranked him with Lincoln's Edwin M. Stanton as one of the two greatest secretaries of war in American history.

His association with the War department was unique. He was first called to the office in 1911 by President Taft. At that time the American Army had only 75,000 men and had just taken over the German general staff system that had been adopted by every big army in the world.

Life-Long Republican

He left the post in 1913 and did not take it up again until 1940—27 years later—when Franklin D. Roosevelt called him back to duty on the eve of World War II at the age of 73.

A life-long Republican, Stimson was asked to serve in a move to gain bi-partisan support in the war emergency. As a result of his acceptance, he was read out of the Republican party.

When he left office for the last time in September, 1945, he had directed the mobilization and use of an 8,000,000-man army that fought in every part of the world and had won praise from defeated German generals for its combat efficiency.

Latest Hurricane Causes Little Loss

Tampa, Fla., Oct. 21 (AP)—A nuisance hurricane which failed to live up to advance billing fizzled out in a Florida wilderness today. The rich Tampa bay resort area, once threatened with a possible knock-out punch, escaped entirely.

The Florida highway patrol said the storm hit inland just north of Cedar Key, the fishing village devastated by the Labor Day hurricane. Winds were well below 75 miles an hour minimum for a hurricane. Apparently the once-threatening blow was breaking up harmlessly in that sparsely inhabited section of swamps and woodland some 100 miles north of Tampa.

For long hours the storm, rated at 75 to 90 miles an hour, was pointed slam bang at Tampa, largest city on the Florida west coast (population 125,000). Then it lost steam and veered north.

Washington, Oct. 21 (AP)—Senator O'Connor (D-Md.) said Friday that information already in hand on shipments of strategic materials to Communist China indicates "the story, as it unravels, may be very, very sensational."

O'Connor is chairman of a Senate Commerce subcommittee investigating reports that American oil and other materials have reached China, where they could be sent on to the Communist invaders of South Korea.

This evening at the I.O.O.F. Hall, Center Square.

The cast of characters includes Mrs. Ellen Buehler, Miss Marie Walker, Miss Lucille Thomas, Miss Roberta Bittinger and Miss Myrl Stauffer.

The chorus for the minstrel is composed of the following: Miss Irma Krout, Miss Caroline Rupp, Miss Ruth Spangler, Miss Jean Thomas, Mrs. Robert Snyder, Miss Alice Snyder, Miss Mildred Moser, Miss Mary Bittinger, Miss Genevieve Cluck and Miss Elizabeth Ohler.

Pennsbury Manor Is Memorial To Founder Of Pennsylvania

Pennsbury Manor, the reconstructed Colonial Home of William Penn, stands today as a memorial to the founder of the Province of Pennsylvania.

William Penn found his Colonial home site on the banks of his "glorious Delaware," about 24 miles northeast of Philadelphia. In the summer of 1682, William Markham, Penn's deputy governor, had purchased land in Bucks County from the Indians, including the tract known as Pennsbury Manor. This estate had a frontage of five and one-half miles on the Delaware. Penn was delighted with the site and ordered construction of suitable buildings.

He visited his Manor in July, 1683, and in March and April, 1684, for there are documents dated from Pennsbury in those months. But circumstances called him back to England in August, 1684. From England there then flowed letter after letter with suggestions and details as to the development of Pennsbury.

Pennsbury Plantation

Most of this correspondence, which has been preserved, was directed to James Harrison, steward of his "Plantation at Pennsbury, in Pennsylvania."

William Penn returned to Pennsylvania in December, 1699, with his family. He remained in his Province until late in 1701, when a threat to transfer his Province to royal rule caused his return to England. During this sojourn of about two years, he frequently was in residence at Pennsbury.

Many improvements were made under the immediate direction of Penn or his wife, Hannah.

The Manor House, as completed, was large and commodious, well suited for its purpose. Its total cost, with furnishings, is said to have been seven thousand pounds.

Standing upon an elevation of some 15 feet above the tide and facing the slow-flowing Delaware, it was an imposing structure. Attractive formal gardens enhanced its beauty.

Restore Property

But magnificence was followed by decay. When Thomas Penn visited the property in 1736, he found it "very near falling, the roof open as well as windows, and the woodwork almost rotten." No one had occupied it for 20 years.

Pennsbury had become little more than a name. The original lands steadily diminished in size. Another house, which now may be observed in a new location as the superintendent's house, was built upon a part of the old ruins.

But in 1932 the site of the building and nearly 10 surrounding acres were deeded by the Warner company to the Commonwealth of Pennsylvania. In 1936 plans were prepared for re-creation of Pennsbury.

Weather Forecast

Extended forecast for five-day period starting Saturday, October 21, through Wednesday, October 25: Eastern Pennsylvania, eastern New York, Delaware, New Jersey, Virginia and Maryland—rain south portion Saturday and rain likely Monday or Tuesday. Total one inch or more extreme south; one-fourth to one-half inch central portion, and one-quarter inch or less extreme north portion. Temperatures will average four to six degrees above normal south portion and near or a little below normal in north portion. Warmer Sunday; cooler Tuesday or Wednesday.

West Virginia, Ohio, western Pennsylvania and western New York—some rain in southeast portion Saturday and rain likely Monday or Tuesday. Total one-quarter to one-half inch except one-half to three-quarters in southeast portion. Temperatures will average four to five degrees above normal in south portion and near normal in north portion. Warmer Sunday; cooler Tuesday or Wednesday.

YORK SPRINGS

York Springs—Mr. and Mrs. Harold W. Lerew entertained fellow members of the Willing Workers organization of the local Lutheran church during the week at their home.

Plans are progressing for the presentation of the annual Halloween celebration for the community and out-of-town visitors to be sponsored by the local Lions club in the next two weeks.

Donald Ernst, principal of the Ardentville Elementary school, was guest teacher of the local Methodist Sunday school on Sunday morning as a part of the annual Rally Day observance.

Jack Lamb, who has been residing in Kutztown, was a visitor recently at the home of Mr. and Mrs. Quincy W. Hershey.

Mr. and Mrs. William McEl Lott, with their younger son, Mac, have returned to their home near here after a brief visit in Virginia.

Mr. and Mrs. Earl W. Mummert, who had been making their home at New Chester, are now residing on York Springs R. 2, near "Five Points."

Manor. Upon the basis of all scraps of available evidence, the architect created anew the Pennsbury of William Penn.

Completed In 1939

The various buildings, Manor House, bake-and-brew house, office building and stable, were officially declared complete on July 6, 1939. Later, a landscaping and gardening program was begun. Flower gardens, kitchen garden, fences, hedges and trees, all are in keeping with the style of William Penn, while roads, parking lots and paths are provided for the modern visitor.

The proper furnishing of the Manor House was completed in 1946, under the direction of a special committee of the Pennsbury Advisory board.

Today those who walk about the property and wander through the wide hall and beautiful rooms of the Manor House, find themselves escaping from the hard realities of our modern world and unconsciously drifting into the calm and quiet moods of the 17th century Pennsylvania of William Penn.

It is a fitting memorial to a great and good man.

East Berlin

East Berlin—Luther A. Yohe, who retired last year after teaching three generations of grammar grade students at the local school, and who was seriously ill through the summer and convalescing at the Hanover home of a daughter, Mrs. Wirt Winebrenner, is now residing in an apartment at the East Berlin hotel.

Mrs. Frank Kothe, R. 2, who has been quite ill at her home for the past two weeks, is reported slightly improved.

Annual Rally Day will be conducted at Holtzschamm church near town with the Sunday schools of both the Lutheran and Reformed congregations taking part.

Franklin S. Kunkel spent Wednesday in York to attend a dealers' meeting. Mr. Kunkel was confined to his home by illness last week.

Mr. and Mrs. Clyde C. Sowards, R. 2, have returned after spending the past week on a visit in Buffalo, N. Y.

Mr. and Mrs. John Betsch and son Charles, R. 2, entertained a group of Hanover friends on Sunday at a dinner party at their home.

Mr. and Mrs. Richard Thompson, formerly of Gettysburg, who purchased the restaurant north of town formerly known as Helen's Place, are now operating it under the name Dick and Ann's restaurant.

Dr. and Mrs. Allen W. Kelley entertained a group of Maryland relatives at dinner Sunday.

As usual the forecasters of automotive business are uncertain about the future and foggy about the present.

Where's That Ash Tray

Most people who toss lighted cigarettes from the car assume that their act may start a forest fire, but the truth is that a large percentage of fires started by careless discarding of "smokes" is inside the car itself. This is particularly true if one of the rear windows happens to be open.

A friend of mine went through his daily motions of emptying out the bowl of his pipe by striking it on the arm of the outside rearview mirror. It was the way he usually did it, and there was no apparent risk of fire since the ashes fell to city streets. This time, however, it was different. Suddenly he became aware of intense heat up his coat sleeve. Pulling over to the curb and jumping out he found that he set fire to himself, a large hole having been burned in his shirt sleeve.

Watch those vagrant air currents around a car. Or better still use the car's convenient ash trays.

Best Way To Test

This is not to suggest that readers take their cars out on the open road for exercise of the speedometer, but the fact is that a test of the engine by driving fast in second isn't the same as driving fast in high. That is simply because in the lower gears the engine enjoys a mechanical advantage which alters the facts and may cover the deficiency for which the owner is looking. Where cars are equipped with automatic transmissions and converters it isn't possible to test this way in the lower gears anyway.

Best test for any car is on a chassis dynamometer where actual conditions at all speeds can be observed and checked with instruments that do not admit of human opinions.

Around The Motor Map

Registrations of new car sales for 1950 have everyone guessing, some very interesting switches being noted to date and a variety of factors being responsible. Will those who believe that television equipment for cars would be too dangerous, because some folk might try to look as they drive, kindly explain what's so safe about a radio set that is going so loud the driver can't hear a fire truck or an ambulance? ... Impractical accessories continue to flood the market at a time when the public sorely needs better equipment to make driving easier and safer, too many industrial concerns trying to launch some pet idea of one of its officers.

Mechanic Joe Speaking:

"I sometimes wish that the rule about having the car's finish perfectly clean before attempting to wax could be applied to the motor so that when we're looking for trouble we wouldn't find a lot of dirt camouflaging the situation. Dirt and grime will conceal a crack in a

motor head and will throw you way off on the source of an oil leak.

"Parts that are greasy may or may not be tight. Look over a new engine and it is always easy to spot anything that isn't just right. And it is this spotting of trouble abiding that will often save a lot of more serious trouble later on.

"How about a steam cleaning for the motor?"

Ducking The Lights

Low gas mileage around town is closely linked up with careful selection of routes. I have some friends who know alternate routes to take if they get into traffic congestion or happen to hit a red light that might result in a lot of engine idling. It pays to explore the situation a little, for often going several blocks out of the way will actually save gasoline. Ducking the lights is also a matter of keeping in step with them. Loafing up to a light that obviously is going to turn red will save gas and brakes. Usually where lights are synchronized most drivers travel a little too fast.

Why Motor Overheats

Here's another one for your list of the various things that cause the motor to develop a fever, summer or winter:

It's the effect of incorrect ignition timing. I am not referring here to late timing from neglect of the distributor or an error in timing the motor, but rather to the automatic or vacuum advance mechanism of the distributor failing to operate properly. Such a condition would be revealed by a Neon timing light which checks timing with the motor running and at different speeds. But too often the owner makes a static adjustment and does not know that conditions are not right when the motor is operating the car at road speed.

Keep Them In Mind

Sometimes a distributor that will show a perfect ground at idling speed will miss and raise hob with the motor as speed increases because of poor grounding when the distributor advances.

An ordinary under-axle tire jack is always handy for doing major jobs on the motor or clutch. Heavy units can be lifted enough to speed removals or replacements.

On some eight cylinder motors rough idling will be experienced if there is any clogging of carburetor jets since at idling only half the cylinders operate from each jet. At higher speeds the engine will smooth out mysteriously even with one of the jets partially clogged.

For The Ambitious

I certainly don't advise any of my readers to replace connecting rod bearing inserts, but if someone can't get help or is especially well-equipped with brains and tools, perhaps I ought to point out that production rods are marked for their respective cylinders. Replacement rods are not usually marked. Thus if the motor is old and has replacement rods, and if these are taken out for some reason, be sure to mark them. Otherwise—well, you know the rest.

Also be sure that the oil squirt holes face the right way. You'll need service manual instructions on this.

Just For The Record

If the tires on your car are good for 30,000 miles under normal conditions they will lose 5,400 with a mere ten per cent overload. A 20 per cent overload shortens their life to 21,000 miles.

Contrary to popular belief a spark plug should be tightened more if used with a new gasket. The new gasket is softer and will thus stand more tightening.

The danger in racing a cold engine lies in the fact that too much raw gasoline is being drawn in, thus wiping oil off the cylinder walls and increasing the risk of scuffing them.

What's Your Trouble?

Q. I have been troubled with the brakes grabbing. The lining is new and the drums are not warped. L. P. G.

A. I believe that these brakes have been set up with a little too much self-energizing effect. It is a matter of more careful adjustment of the shoes.

Q. Do all fluid couplings on the cars with automatic and semi-automatic shifting multiply torque? Wm. L. K.

A. No, only those which are torque converters. The others have not multiplying effect at all. They merely transfer motor torque to the transmission.

Q. I have tried to do a good waxing job on my car but it seems to be streaked. Since some areas are smooth and glossy, I do not feel that the trouble is with the wax itself. H. D. Jr.

A. You will find that the trouble here is your failure to do a good job of polishing and finish before applying the wax. This is the secret of good waxing.

Q. The starter motor is starting to crank very slowly on my car. I've checked the battery and all connections, but find things normal enough. Oil is light. Any ideas? H. D. S.

A. This looks like one of those cases where the starter-motor itself is under suspicion. My guess is that you will find poorly seated brushes.

Q. I know that the automobile engineers do not recommend gas savers and yet many people with whom I have talked have been able to offer proof that some of the devices they have used do save gas. What's the story on this? M. N. F.

A. It's fairly simple. Most of the older cars are inefficient, especially with regard to carburetion. This inefficiency invariably causes a too rich mixture. Thus almost any

gadget that leans out the mixture will give better gas mileage and usually better performance. The car engineers merely argue that it would be smarter to obtain the same results through service and tuning. Anything that leans out the mixture will also give better gas mileage, on a trip, with a new motor or one in good shape, but a lean mixture burns hotter and may warp the valves. It isn't economical in town driving.

Q. What would cause the motor of my car to stall a lot at low speeds? T. McB.

A. You will find that the fuel pump doesn't hold pressure. This, in turn, would be due to defective valves or other parts.

Q. There's a grinding noise in my car in low gear. K. R. E.

A. Sounds to me like a worn gear. Mr. Russell will answer questions regarding the safe care and operation of your car. Just address him at 254 First Street, West Hartford, 7, Connecticut, and enclose stamped, self-addressed envelope for a personal reply. There is no charge.

2 BIG PROBLEMS ARE BEFORE UN

Lake Success, Oct. 21 (AP) — Two vital problems are before the United Nations today.

The security council meets behind closed doors for another round in the battle over who should be secretary general. The 60-nation political committee is scheduled to vote on a Syrian-Iraq proposal calling for Big Five peace consultations.

India has a compromise proposal before the council under which each of the 11 members would put two names in a secret ballot box. The Big Five then would knock out the names of those they could not approve and the council would pick a successor to Secretary Lie from the names left.

The U. S., Britain, Norway, Yugoslavia, the parochial hall for the benefit of their church, Wednesday evening, November 15. A group of members have been named as solicitors to obtain prizes and assist in presenting the party.

Mr. and Mrs. R. Dale Foreman, Hanover, who were married September 16, visited her parents, Mr. and Mrs. Earl H. Weaver, over the week-end. Mrs. Foreman was formerly Miss Angela M. Weaver.

Women of the Rosary society of the local Catholic church are preparing for another public card party to aid their church. It will be at the parochial hall on Wednesday evening, October 25.

Lawrence Hockensmith, near here, is recovering from a painful infection of his neck. He is able to be about.

A meeting of the National Council of Catholic Women of the local parish was conducted at the parochial hall Wednesday evening.

The Always Faithful class of the First Lutheran church school presented a public tea at the church rooms on Wednesday evening. In addition to the serving of refreshments, a program was arranged and a "parcel post sale" was conducted.

slavia and Cuba let it be known yesterday that they would have no part of the plan, which would have the effect of eliminating Lie from consideration. Ecuador said it would abstain.

This means that the resolution could not obtain the necessary seven affirmative votes and Indian Delegate Sir Benegal N. Rau said he was considering withdrawing it. Should he do this, the question of the secretary generalship probably would go back where it was last week—in the hands of the veto-free General Assembly.

When the council can not agree on a candidate, it notifies the assembly of this fact and that body then has the authority to extend the term of the incumbent.

Schenectady, N. Y., Oct. 21 (AP) — Dr. Robert E. Doherty, President Emeritus of Carnegie Institute of Technology, died Thursday at the home of a friend.

The 65-year-old Doherty suffered a heart attack as he was about to leave for a party being given in his honor by one-time associates at the General Electric works here. Doherty, former dean of Yale university's school of engineering, was president of Carnegie Tech from 1936 until last July 1, when he retired.

The National Geographic society says the first jury trial in Anglo-Saxon American resulted in Capt. John Smith's collecting 200 pounds for slander in 1607.

Presenting

A CHANGE IN MANAGEMENT

... of business known formerly as SWOPE'S SERVICE CENTER, 100 York St., Gettysburg. —We wish to express our thanks and appreciation for your past patronage (since the effective date of our opening, October 1st), and to invite you to return for even better service in the future.

Personally, I believe in giving my customers fair prices and the best of services. To do this, I will not exploit my business with grand openings, elaborate displays, samples, souvenirs, favors and other small but numerous expenditures which I consider only incidental and subordinate to the genuine purpose of my business. I shall endeavor, instead, to make the disbursement of such funds count in keeping prices at a minimum. If you have been one of our customers in the past, may I suggest you drop in for better and friendlier service, and be one of our satisfied customers.

If at any time in the near future you are in need of automotive service and general repairs, contact us for friendly advice and an estimate on your needs and repairs. Our workmanship is the best. Ask a friend who has tried it. He is one of our satisfied customers.

Drop in to see us before you buy batteries, tires (regular or winter tread). We will save you some money. Save the trouble of bringing your car in. Just call 570, and we will be glad to pick up your car and deliver it promptly.

Allow us to properly condition your car for the cold weather coming on. Just a little care now will undoubtedly save a lot of expense later. The next inspection period begins November 1st, so make a note to remember us for your official inspection.

Our aim and goal is a big one—"Your friendship and patronage." We're hoping to be of service to you in the very near future. Yours for better service... HETRICK'S SERVICE CENTER, Stuart L. Hetrick.

B.F. Goodrich
NEW MUD-SNOW TIRE OUTSTOPS
OUTPULLS OTHER LEADING BRANDS
Here's proof from Pittsburgh Testing Laboratory!

STOPS QUICKER ON ICE	STOPS QUICKER ON SNOW	PULLS BETTER ON SNOW

GIVES 12 to 64% MARGIN OF SAFETY OVER OTHER TIRES ... UP TO 24% GREATER PULLING POWER!

It's a fact! The new B. F. Goodrich mud-snow tire lets you stop on slippery ice or snow in from 12 to 64% shorter distance than other leading tires—a margin of safety that can make the difference between a safe stop and a collision. And the BFG tire gives you up to 24% greater pulling power to get you through deep snow. Tests by Pittsburgh Testing Laboratory, famous independent testing organization, prove it! The new mud-snow tire is not just an "improved" tire. It has a radically different, scientifically designed tread. The new flex-lug cleat digs deep, pulls you through mud and snow. It combines tremendous traction with long wearability. Yet it runs quietly on the open road.

PULLS YOU THROUGH MUD TOO! The BFG mud-snow tire digs into mud like a tractor tire. Lets you drive over bad roads or open fields without getting stuck. Get winter-driving peace-of-mind like you never had before. Small down payment puts a pair of B. F. Goodrich mud-snows on your rear wheels now, before the first snowfall.

Today's Talk

By GEORGE MATTHEW ADAMS

TAKE IT EASY

Again I say that Nature is our
greatest teacher—she takes time to
work out her plans. Many years
ago I visited those great trees in
California—some of them young
when Christ was born. You can't
rush the growth of a tree, but you
can keep it in good health while
growing and help to prevent its
dying.

Every flower has a certain time in
which to mature, as has every ani-
mal. The great Creator planned it
that way. When man interferes with
that law he lowers the quality of the
product. The life span of man has
been increased because we have
gotten closer to the very laws that
extend life.

The majority of automobile acci-
dents result from too much speed,
and not taking it easy and observing
the rules of safe driving. More
people worry out than wear out.
Relaxed workers are the best work-
ers, and the happiest they accom-
plish most. Take it easy and
there will be given to you additional
enjoyment as well.

People take stimulants, errone-
ously thinking they pep them up.
They do the opposite. They slow
them up and disarrange the natural
process of the mind and body. It's
like whipping a dog to make him
more obedient. His natural pride is
hurt and his loyalty is decreased.
The champion golfer keeps relaxed.
By taking it easy he confounds his
anxious adversary.

By taking time to think things
out one's errors are reduced, and
one's judgment is increased. You
have read or heard of that admoni-
tion to be slow to anger. By taking
it easy, when in a tight place, you
increase your ability to come out
all right. In a dispute, by letting
the other fellow "talk it out," you
have the better chance to win your
argument—and perhaps save trou-
ble in the bargain!

During the most crucial moments,
preceding the Civil War between the
States, it was Lincoln who stated
that nothing was lost by taking
time, and considering everything
before initiating war. Trouble usually
results from not taking it easy when
emergencies arise. Take it easy and
your regrets will remain at a mini-
mum!

HENRY STIMSON DIES FRIDAY OF HEART ATTACK

HENRY L. STIMSON

Cold Spring Harbor, N. Y., Oct. 21
(AP) — Henry L. Stimson, the first
American to hold cabinet office un-
der four Presidents, died yesterday
of a sudden heart attack. He was 83
years old.

Stimson was secretary of war un-
der Presidents William Howard
Taft, Franklin D. Roosevelt and
Harry Truman, and was Herbert
Hoover's only secretary of state.

Three months ago Stimson fell
and broke his hip, but was making a
good recovery and getting about
with wheelchair and crutches. Yes-
terday afternoon he and Mrs. Stim-
son set out on a drive around the
estate. He was stricken in the car,
was taken home immediately, and
died a few minutes later.

Stimson was the first leading
statesman in any western country to
demand a tough crackdown on the
aggressors of the 1930s. His policy
failed at the time, but as America's
secretary of war from Pearl Harbor
to Hiroshima, he directed the army
and air force that helped redeem it.
While Stimson's four years as sec-
retary of state, 1929 to 1933, were
distinguished, military men and his-
torians have ranked him with Lin-
coln's Edwin M. Stanton as one of
the two greatest secretaries of war in
American history.

His association with the War de-
partment was unique. He was first
called to the office in 1911 by Presi-
dent Taft. At that time the Ameri-
can Army had only 75,000 men and
had just taken over the German
general staff system that had been
adopted by every big army in the
world.

Life-Long Republican
He left the post in 1913 and did
not take it up again until 1940 — 27
years later — when Franklin D.
Roosevelt called him back to duty
on the eve of World War II at the
age of 73.

A life-long Republican, Stimson
was asked to serve in a move to gain
bi-partisan support in the war
emergency. As a result of his ac-
ceptance, he was read out of the
Republican party.

When he left office for the last
time in September, 1945, he had di-
rected the mobilization and use of
an 8,000,000-man army that fought
in every part of the world and had
won praise from defeated German
generals for its combat efficiency.

The Florida highway patrol said
the storm hit inland just north of
Cedar Key, the fishing village de-
vastated by the Labor Day hurricane.
Winds were well below 75 miles an
hour minimum for a hurricane. Ap-
parently the once-threatening blow
was breasting up harmlessly in that
sparsely inhabited section of swamps
and woodlands some 100 miles north
of Tampa.

For long hours the storm, rated
at 75 to 90 miles an hour, was pon-
dered slum being at Tampa, largest
city on the Florida west coast, popu-
lation 125,000. Then it became a steam
and veered north.

Washington, Oct. 21 (AP) — Sen-
ator O'Connor (D-Md.) said today
that information already in hand
shows that the Chinese are making
preparations for a possible invasion
of Communist China, and that the
story, as it unfolded, may be very
sensational.

O'Connor is chairman of a Senate
Commerce subcommittee investigating
reports that American oil and other
materials have been sent to China,
where they could be sent on to the
Communist invaders of South Korea.

Pennsbury Manor Is Memorial To Founder Of Pennsylvania

Pennsbury Manor, the reconstruct-
ed Colonial Home of William Penn,
stands today as a memorial to the
founder of the Province of Penn-
sylvania.

William Penn found his Colonial
home site on the banks of his
"glorious Delaware" about 24 miles
northeast of Philadelphia. In the
summer of 1682, William Markham,
Penn's deputy governor, had pur-
chased land in Bucks County from
the Indians, including the tract
known as Pennsbury Manor. This
estate had a fringing of five and
one-half miles on the Delaware.
Penn was delighted with the site
and ordered construction of suitable
buildings.

He visited his Manor in July, 1683,
and in March and April, 1684, for
there are documents dated from
Pennsbury in those months. But
circumstances called him back to
England in August, 1684. From Eng-
land there then flowed letter after
letter with suggestions and details
as to the development of Pennsbury
Pennsbury Plantation.

Most of this correspondence, which
has been preserved, was directed to
James Harrison, steward of his
"Plantation at Pennsbury, in Penn-
sylvania."

William Penn returned to Penn-
sylvania in December, 1689, with his
family. He remained in his Province
until late in 1701, when a threat to
transfer his Province to royal rule
caused his return to England. Dur-
ing this sojourn of about two years,
he frequently was in residence at
Pennsbury.

Many improvements were made
under the immediate direction of
Penn or his wife, Hannah.

The Manor House, as completed,
was large and commodious, well
suited for its purpose. Its total cost,
with furnishings, is said to have
been seven thousand pounds.

Standing upon an elevation of
some 15 feet above the tide and fac-
ing the slow-flowing Delaware, it
was an imposing structure. Attractive
formal gardens enhanced its beauty.

Restore Property
But magnificence was followed by
decay. When Thomas Penn visited
the property in 1736, he found it
"very near falling, the roof open as
well as windows, and the woodwork
almost rotten." No one had occupied
it for 20 years.

Pennsbury had become little more
than a name. The original lands
steadily diminished in size. Another
house, which now may be observed
in a new location as the superin-
tendent's house, was built upon a
part of the old ruins.

But in 1932 the site of the build-
ing and nearly 10 surrounding acres
were decided by the Warner com-
pany to the Commonwealth of Penn-
sylvania. In 1936 plans were pre-
pared for re-creation of Pennsbury

Manor. Upon the basis of all scraps
of available evidence, the architect
created anew the Pennsbury of Wil-
liam Penn.

Completed in 1939

The various buildings, Manor
House, bake-and-brew house, office
building and stable, were officially
declared complete on July 6, 1939.
Later, a landscaping and gardening
program was begun. Flower gardens,
kitchen garden, fences, hedges and
trees, all are in keeping with the
time of William Penn, while roads,
parking lots and paths are provided
for the modern visitor.

The proper furnishing of the
Manor House was completed in
1946, under the direction of a spe-
cial committee of the Pennsbury
Advisory board.

Today those who walk about the
property and wander through the
wide hall and beautiful rooms of the
Manor House, find themselves escap-
ing from the hard realities of our
modern world and unconsciously
drifting into the calm and quiet
moods of the 17th century Penn-
sylvania of William Penn.

It is a fitting memorial to a great
and good man.

STATE CANNERS Native Of Pennsylvania Was FURNISH MOST First To Make, Use Typewriter FOOD PRODUCTS

Pennsylvania Week is a forceful reminder that from the well-stocked larder which is the Commonwealth of Pennsylvania comes virtually every food product used on the American table. Pennsylvania is a great food producing state, fourth largest in the nation, and its agricultural industrialists have built a tremendous canning industry to insure that their high quality products will be continually available to meet the housewife's needs. Whatever the season, wherever they are grown, the year's harvests are within her easy reach.

Large County Canners
In Pennsylvania are located 54 progressive, independent canning companies. The two largest, Muselman's and Knouse Foods, are located in Adams county. These canneries, all but one of which are rooted in the Keystone State, give employment to nearly 17,000 persons and do an annual business of a quarter of a billion dollars. From the beginnings of the D. E. Winebrenner Co., the state's oldest commercial cannery, established in 1874, Pennsylvania canners have produced quality second to none.

Raw materials for Pennsylvania's canneries come from the most bountiful soil in the country. Whether they are grown in the Allegheny plateau, the roof garden of Pennsylvania in Somerset County, the fertile fields of York County, the rich acres of Lancaster County, the mushroom sheds of Chester and Delaware Counties, the pea and corn fields of Columbia County, the orchards of Adams and Franklin Counties, Pennsylvania's fruits and vegetables uphold their reputation of uniformly firm texture and rich flavor.

Besides the full line of basic fruit and vegetable products, including corn, peas, green and wax beans, tomatoes and limas, Pennsylvania is the home of two more specialized canned foods—mushrooms and apples. From Chester County comes 65% of all the mushrooms canned in the country. These quality cultivated mushrooms are carefully grown in specially constructed buildings under the most sanitary conditions and are processed immediately after picking to maintain all their flavor and nutritive value.

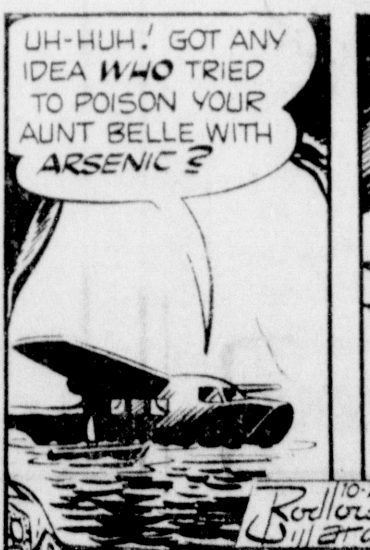

Tree ripened apples are a specialty of canners who offer a complete line of apple products—sliced apples, applesauce, apple juice, apple butter, apple jellies and cider vinegar. Adams County is the heart of Pennsylvania's apple country. Located there is the largest apple processing plant in the world as well as the largest apple products manufacturer in the United States.

Boosts State Economy
By purchasing Pennsylvania's fine canned foods consumers are making a widespread contribution to the welfare of the commonwealth since raw products come from many of the 172,000 farms in the state and canners' supplies give employment to countless other industries. These include the tin plate mills, coal mines, paper manufacturing establishments making labels and corrugated boxes, transportation companies, and builders of canning machinery and conveyors, among others.

Buying Pennsylvania canned foods means maintaining not only the high quality of Pennsylvania canned foods but also the prosperity of all its citizens.

Washington, Oct. 21 (AP) — The government Friday ordered a 25 per cent cut in the use of natural rubber by tire and rubber companies, effective November 1. The reduction limits consumption to 75 per cent of the average monthly consumption of natural rubber in the 12 months preceding last June 30.

SCORCHY SMITH

The typewriter is a Pennsylvania. A seldom credited accessory to commerce and industry, the typewriter has become an indispensable institution of 20th century civilization.

Within the memory of people still living, there was a time when there was no such thing as a typewriter. About fifty years ago, the "contraption" was looked upon as a curiosity. It had only begun to find its way into business and newspaper offices, where, in a few years, it was to become a permanent fixture.

Because so much of the typewriter's history occurred in Pennsylvania, the Department of Commerce, as a Pennsylvania Week feature, reports that on February 14, 1819, in Moersburg, Montour county, Pennsylvania, a new baby was named Christopher Latham Sholes.

Apprentice Printer
As a boy Christopher was apprenticed to the printing trade, as a shop "devil" on the DANVILLE INTELLIGENCER. Here, while engaged in the monotonous task of setting type, he occasionally amused himself by printing his lengthy name, using the individual letters "one after the other." Later he was to recall that this long-ago incident probably planted in his mind the embryo of the mechanical typewriter.

Following his apprenticeship, Sholes left the INTELLIGENCER and struck out for new fields. In turn, he became editor of several newspapers and finally an owner. He settled in Milwaukee, Wisconsin, where he had been appointed Collector of the Port. During January, 1866, with Samuel W. Soule, another printer, Sholes was working on a machine for the serial numbering of blank pages.

Others Are Interested
Carlos Glidden, an inventor of mechanical farm implements, became interested in the experiments and offered his engineering talents. Somewhere, the trip obtained a description of a "writing machine" claimed to have been invented by John Pratt, of Alabama. Pratt's invention had been dubbed extremely crude and impracticable, but it set the Milwaukee experimenters off on a new track.

By November of 1866, the first working model of a typewriter had been finished and the first typewritten letter mailed. Sholes himself solved the final problems, and was regarded by his partners as the real inventor. He also typed the first letter.

Remingtons Involved
Recipient of this trail-blazer for the avalanche of typewriter soon to descend upon the world was James Densmore, of Meadville, Pennsylvania. Densmore, like Sholes and Soule, was former printer and publisher. Immediately he recognized the significance of his friend's invention. He volunteered to pay off Sholes' mounting debts in return for an interest in the machine's future, and then set out to guarantee that future. A patent was obtained the following year. For the next six years Densmore concentrated on finding a manufacturer for the

BULLETINS

Seoul, Oct. 21 (AP)—Eighty Korean political prisoners—both men and women—were set free with burning gasoline by retreating Communists at Koksan, 50 air miles southeast of Pyongyang, the commander of the South Korean army said Friday.

Chicago, Oct. 21 (AP)—Former Mayor Edward J. Kelly, 74, Democratic National committeeman from Illinois, died Friday. He was stricken in his suite at the Ambassador East hotel and died on the way to a doctor's office.

typewriter. Finally, in 1873, a contract was signed with the E. Remington and Son company, gunsmiths, of Ilion, New York. The Remingtons eventually acquired full ownership of the machine.

For Christopher Latham Sholes foresight fell far short of his ingenuity. He sold his royalty rights to Densmore for \$12,000—the first and last cent he realized on his invention.

And so, because a Pennsylvania printer's devil practiced setting his name in type, the world received at long last the "writing machine."

14 TEACHERS COLLEGES GET FACE LIFTING

Pennsylvania's 14 State Teachers colleges are undergoing the greatest face lifting operation they have had in decades through the auspices of the General State Authority, the new Commonwealth building agency. The Authority has earmarked \$14,000,000 of its funds for new construction and renovations to eliminate as many as possible of the fire and health hazards which have developed in the physical structures used at these state-owned and operated colleges.

The 14 institutions are under the supervision of the State Department of Public Instruction and have been the principal source of supply for the trained teachers for Pennsylvania's public schools.

Teach 12,000 Students
Nearly 12,000 full-time students were enrolled in the 14 colleges in the 1949-50 term and many of them studied and lived in facilities that had long since outlived their usefulness and badly needed replacement.

The Authority program, requested by the Department of Public Instruction, was designed primarily to eliminate fire and health hazards in existing facilities without expanding them.

Unlike previous building programs at these institutions, the emphasis in the Authority program has been placed on providing safe living conditions for the students so that the bulk of the funds allocated for new construction or repairs will go into new dormitories to replace antiquated structures or into similar work designed to remove a wide variety of hazards.

52 Huge Projects
The Authority has approved so far 52 construction projects at teachers colleges of which 13 were under construction on September 1. In addition, another \$1,000,000 has been allocated to equip the new buildings upon completion.

Eleven of the projects are for new dormitories for which approximately \$5,800,000 has been allocated out of the \$14,000,000 earmarked for work at these institutions. Another \$1,215,000 has been allotted for 18 projects involving repairs to existing dormitories at the various colleges.

Another big item in the college construction program is the building of new boiler plants or the rehabilitation or expansion of existing plants. Adequate and dependable heating plants are one of the best guarantees for the health of the students at these colleges. Failures of heating plants in the past have resulted in cold rooms and presented the hazard of epidemics of colds and similar respiratory ailments.

New Auditoriums
To eliminate this health hazard, the Authority has earmarked \$2,793,374 for new boiler plants or changes in existing heating plants to bring them up to accepted standards for this type of facility.

ards for this type of facility.

Another \$1,415,000 has been allocated by the Authority for new college auditoriums. These new assembly halls, so important in college programs, will be in separate buildings and eliminate conditions where students gathered in halls on second floors with inadequate exits. Some of the present auditoriums also are built over the college kitchens with the ever constant danger from fire.

New science buildings at Lock Haven and Mansfield State Teachers colleges will take another \$899,000 in Authority funds, while miscellaneous repairs ranging from modernization of kitchen facilities, to relocation of college infirmaries at several institutions will require \$1,043,000.

Gymnasium Addition
The Authority also has approved construction of an administration building at the East Stroudsburg State Teachers college to take the college offices out of the women's dormitory and construction of an addition to the gymnasium and a swimming pool at the West Chester State Teachers college to give that institution, noted as a center of physical education instruction, essential facilities for carrying on its college curriculum.

The work undertaken by the Authority, college by college, follows: Bloomsburg State Teachers college, expansion of boiler plant.

California State Teachers college, new auditorium, men's dormitory, extensive repairs to North and South Halls.

Women's Dormitory
Cheyney Training School for Teachers, new heating plant and addition to Yarnall Hall, a women's dormitory.

Clarion State Teachers college, fireproof stairway on Becht Hall, a women's dormitory, repairs to kitchen, new boiler plant and a new men's dormitory.

East Stroudsburg State Teachers college, new men's dormitory, administration building, repairs to St. Stroud and Oak Halls.

Edinboro State Teachers college, new men's dormitory, new women's dormitory, transfer infirmary to first floor location, improvements to boiler plant, and repairs to existing college buildings.

Indiana State Teachers college, new men's dormitory, rehabilitation of college kitchen, rewiring of existing college buildings and installation of a fire sprinkler system in John Sutton Hall.

New Science Building
Mansfield State Teachers college, new men's dormitory, new science building, repairs to North Hall, a women's dormitory, and complete renovation of the college kitchen.

Millersville State Teachers college, a new men's dormitory, new women's dormitory, new kitchen and dining hall, new auditorium and expansion of utilities to provide for the new buildings.

Kutztown State Teachers college, relocation of infirmary, fireproof stairways in main college building, new quarters for college help, a new chemical storage annex and fireproofing of top floor of main building.

Lock Haven State Teachers college, a new women's dormitory, a new science building, expansion of the boiler plant and fireproof stairways in College Main.

Shippensburg State Teachers college, new auditorium, new heating plant, fireproof stairways in Horton Hall, a women's dormitory, and new water mains and fireproofing.

Slippery Rock State Teachers college, a new heating plant and new electrical distribution lines.

West Chester State Teachers college, an addition to the gymnasium and swimming pool, repairs to Freshman Hall, Main Hall, and Reynolds Hall, all dormitories, and to the men's dormitory.

Tile-like flooring consisting of scrap wood with the end-grain exposed has been developed at Purdue university.

A portable plow unit has been developed for quick clearing of forest fire lines.

STARR BIBLE CLASS MEETS

Mrs. Holman L. Sell, president, was in charge of the October meeting of the Starr Bible class of St. Paul's Lutheran church, on Thursday evening at the home of Mrs. Annie and Mrs. Edgar Pfeffer, Cemetery street. The meeting opened with a song service; scripture by Mrs. Edgar Pfeffer, and the 23rd Psalm in unison.

Plans for serving the annual banquet to the Loyalty class and the class of Luther D. Snyder, on Monday, November 6, were discussed. Mrs. William H. Dixon and Mrs. Emma Norwood, who were appointed as a committee to select and purchase a Mixer for the church kitchen, reported that the purchase had been made.

Guest packages, contributed by Mrs. Sterling Sell and Mrs. Ralph Conover, were received by Mrs. Ralph Conover and Mrs. Arthur E. Blair. Entertainment included readings by Mrs. Ellen Peeser, Mrs. Edward Plunkert, Mrs. Ralph Conover, Mrs. Emma Norwood, Mrs. Maurice C. Wareheim, Mrs. Walter Shriver and Mrs. Edgar Pfeffer.

A prize was awarded to Mrs. Ralph Conover for having the largest number of articles in her pocketbook and to Mrs. Ellen Peeser for her choice of Halloween costume. Edward Sauerhammer, Mt. Joy, a house guest at the Pfeffer home, gave two humorous recitations. Refreshments were served to the 16 members and two visitors present by the committee, which, in addition to the Mrs. Pfeffer, included Mrs. Luther Sentz. The next meeting of the class will be held Thursday, November 30, at the home of Mrs. Paul Scheivert, along the Westminister road, near town. The committee for the meeting is composed of Mrs. Scheivert, Mrs. Emma Norwood and Mrs. George Stover.

Boy Scouts of Troop 84 will help to place covers on parking meters today, so that visitors to town will know that parking is free from 2 o'clock on, in observance of the Pennsylvania Week celebration. The Scouts are reminded that each one must have a handbook in order to be able to work for advancements. Future activities of the troop, which have been planned, are a board of review, a court of honor, uniform inspection and a trip to the Gettysburg battlefield.

A covered dish supper will be held in connection with the monthly meeting of the St. Aloysius Parish Council of Catholic Women on Wednesday evening in the parish hall at 6:30 o'clock. The supper will also be a reception for the new pastor, the Rev. Edward J. Shanahan. Mrs. J. Richard Myers is chairman of the hostess committee and Mrs. Carroll Oaster, chairman of the program committee.

The Ladies' society of St. John's Lutheran church decided at the October meeting on Thursday evening in the social hall of the church, to serve a roast turkey supper, family style, on Saturday, November 4, in the social room of the Sunday school building, beginning at 4 o'clock.

The meeting was held in the form of a Halloween social and the program opened with a grand march. Prizes were awarded for costumes to Mrs. William Lippy for the most comical; Mrs. Oliver Erb for the most original; Mrs. Preston Clouser, person not guessed, and prettiest child, Brenda Alexander. The meeting was in charge of the president, Mrs. Kenneth D. James. A song service was held and Mrs. James read the scripture. Mrs. Elmo Jones offered prayer.

The program included a reading "God's Word" by Louise Groft; Halloween readings by the members of the society; vocal solo, in German, Brenda Alexander; quartet "Have

Thine Own Way," composed of Mrs. Ralph Wantz, Mrs. Dore Stary, Mrs. Noah Streig and Mrs. Clair A. Beamer; quartet, composed of Mrs. Dallas Shriver, Mrs. William Lippy, Mrs. Oliver Erb and Mrs. Preston Clouser sang "In the Garden."

Mrs. George Trump was received as a new member into the society. The birthdays of Mrs. Harry Bloom, Mrs. Lillie Shryock, Mrs. Oliver Erb, Mrs. Preston Clouser, Mrs. Benton Flickinger and Mrs. Paul O. Hawk were observed. Refreshments were served to the 30 members and ten visitors present by the hostess committee composed of Mrs. Benton Flickinger, Mrs. Charles Lemmon and Mrs. John Moudy. The next meeting of the society will be held on Thursday, November 30, at 7:30 p.m., at the home of Mrs. Elmo Jones, along the Hanover road, near town, with Mrs. Jones, Mrs. Lewis Lippy and Mrs. Sylvester Rickrode as hostesses.

Harrisburg, Oct. 21 (AP)—Pennsylvania Week has mushroomed from a modest \$5,000 project into a million dollar promotion for the Keystone state.

Floyd Chalfant, Waynesboro publisher, started the annual observance in 1946 while State Secretary of Commerce as a frank attempt to attract new industry to the state. It went on from there growing larger each year as industry, trade associations and other groups joined in privately financed projects to call attention to Pennsylvania's might.

REDS' ALLIES MEET IN PRAGUE

Prague, Czechoslovakia, Oct. 21 (AP)—Following her sharp warning that she would not tolerate re-militarization of western Germany, Russia met with her European Allies today to discuss that explosive subject. The meeting was called by the Soviet Union, which sent Deputy Prime Minister V. M. Molotov as its spokesman. Molotov is a former Soviet foreign minister.

Moscow radio and the official Czechoslovak News Agency reported the eight-nation meeting started yesterday. Deputy Prime Minister Zecnek, Fierlinger, representing Czechoslovakia, opened the conference and was elected chairman.

Molotov flew in from Moscow by special plane. Other foreign delegates had already arrived and met him at Prague's flag-decorated Ruzyně airport.

They were foreign ministers Mincho Neychev of Bulgaria; Zygmunt Modzelewski of Poland; Gyula Kal-

lai of Hungary; Ann Pauker of Romania; Georg Dertinger of Eastern Germany and V. Natanael, Albanian minister to Moscow.

Harrisburg, Oct. 21 (AP)—Vice-President Alben W. Barkley will lead big guns of the Democratic party in a move to win the Pennsylvania general election Nov. 7.

Barkley will speak in the Keystone state on Oct. 24 and 25 in behalf of the candidacies of U.S. Senator Francis J. Myers, seeking re-election, and Richardson Dilworth, running for governor.

STATE CANNERS Native Of Pennsylvania Was FURNISH MOST FOOD PRODUCTS

Pennsylvania Week is a forceful reminder that from the well-stocked larder which is the Commonwealth of Pennsylvania comes virtually every food product used on the American table. Pennsylvania is a great food-producing state, fourth largest in the nation, and its agricultural industrialists have built a tremendous canning industry to insure that their high quality products will be continually available to meet the housewife's needs. Whatever the season, wherever they are grown, the year's harvests are within her easy reach.

Large County Canners
In Pennsylvania are located 54 progressive, independent canning companies. The two largest, Muselman's and Knouse Foods, are located in Adams county. These canneries, all but one of which are rooted in the Keystone State, give employment to nearly 17,000 persons and do an annual business of a quarter of a billion dollars. From the beginnings of the D. E. Winebrenner Co., the state's oldest commercial cannery, established in 1874, Pennsylvania canners have produced quality second to none.

Raw materials for Pennsylvania's canneries come from the most bountiful soil in the country. Whether they are grown in the Allegheny plateau, the roof garden of Pennsylvania in Somerset County, the rich acres of Lancaster County, the mushroom sheds of Chester and Delaware Counties, the pea and corn fields of Columbia County or the orchards of Adams and Franklin Counties, Pennsylvania's fruits and vegetables uphold their reputation of uniformly firm texture and rich flavor.

Besides the full line of basic fruit and vegetable products, including corn, peas, green and wax beans, tomatoes and lima, Pennsylvania is the home of two more specialized canned foods—mushrooms and apples. From Chester County comes 85% of all the mushrooms canned in the country. These quality cultivated mushrooms are carefully grown in specially constructed buildings under the most sanitary conditions and are processed immediately after picking to maintain all their flavor and nutritive value.

Tree ripened apples are a specialty of canners who offer a complete line of apple products—sliced apples, applesauce, apple juice, apple butter, apple jellies and elder vinegar. Adams County is the heart of Pennsylvania's apple country. Located there is the largest apple processing plant in the world as well as the largest apple products manufacturer in the United States.

Boosts State Economy
By purchasing Pennsylvania's fine canned foods consumers are making a widespread contribution to the welfare of the commonwealth since raw products come from many of the 172,000 farms in the state and canners' supplies give employment to countless other industries. These include the tin plate mills, coal mines, paper manufacturing establishments making labels and corrugated boxes, transportation companies, and builders of canning machinery and conveyors, among others.

Buying Pennsylvania canned foods means maintaining not only the high quality of Pennsylvania canned foods but also the prosperity of all its citizens.

Washington, Oct. 21 (AP)—The government Friday ordered a 25 per cent cut in the use of natural rubber by tire and rubber companies, effective November 1. The reduction limits consumption to 75 per cent of the average monthly consumption of natural rubber in the 12 months preceding last June 30.

The typewriter is a Pennsylvania.

A seldom credited accessory to commerce and industry, the typewriter has become an indispensable institution of 20th century civilization.

Within the memory of people still living, there was a time when there was no such thing as a typewriter. About fifty years ago, the "contraption" was looked upon as a curiosity. It had only begun to find its way into business and newspaper offices, where, in a few years, it was to become a permanent fixture.

Because so much of the typewriter's history occurred in Pennsylvania, the Department of Commerce, as a Pennsylvania Week feature, reports that on February 14, 1819, in Moersburg, Montour county, Pennsylvania, a new baby was named Christopher Latham Sholes.

Apprentice Printer
As a boy Christopher was apprenticed to the printing trade, as a shop "devil" on the DANVILLE INTELLIGENCER. Here, while engaged in the monotonous task of setting type, he occasionally amused himself by printing his lengthy name, using the individual letters "one after the other." Later he was to recall that this long-ago incident probably planted in his mind the embryo of the mechanical typewriter.

Following his apprenticeship, Sholes left the INTELLIGENCER and struck out for new fields. In turn, he became editor of several newspapers and finally an owner. He settled in Milwaukee, Wisconsin, where he had been appointed collector of the Port. During January, 1866, with Samuel W. Soule, another printer, Sholes was working on a machine for the serial numbering of blank pages.

Others Are Interested
Carlos Glidden, an inventor of mechanical farm implements, became interested in the experiments and offered his engineering talents. Somewhere, the trio obtained a description of a "writing machine" claimed to have been invented by John Pratt, of Alabama. Pratt's invention had been dubbed extremely crude and impracticable, but it set the Milwaukee experimenters off on a new track.

By November of 1866, the first working model of a typewriter had been finished and the first typewritten letter mailed. Sholes himself solved the final problems, and was regarded by his partners as the real inventor. He also typed the first letter.

Remingtons Involved
Recipient of this trail-blazer for the avalanche of typewritten soon to descend upon the world was James Remington, of Meadville, Pennsylvania. Remington, like Sholes and Soule, was former printer and publisher. Immediately he recognized the significance of his friend's invention. He volunteered to pay off Sholes' mounting debts in return for an interest in the machine's future, and then set out to guarantee that future. A patent was obtained the following year. For the next six years Remington concentrated on finding a manufacturer for the

BULLETINS

Seoul, Oct. 21 (AP)—Eighty Korean political prisoners—both men and women—were set free with burning gasoline by retreating Communists at Koksan, 50 air miles southeast of Pyongyang, the commander of the South Korean army said Friday.

Chicago, Oct. 21 (AP)—Former Mayor Edward J. Kelly, 74, Democratic National committee member from Illinois, died Friday. He was stricken in his suite at the Ambassador East hotel and died on the way to a doctor's office.

typewriter. Finally, in 1873, a contract was signed with the E. Remington and Son company, gunsmiths, of Ilion, New York. The Remingtons eventually acquired full ownership of the machine.

For Christopher Latham Sholes, foresight fell far short of his ingenuity. He sold his royalty rights to Remington for \$12,000—the first and last cent he realized on his invention.

And so, because a Pennsylvania printer's devil practiced setting his name in type, the world received at long last the "writing machine."

14 TEACHERS COLLEGES GET FACE LIFTING

Pennsylvania's 14 State Teachers colleges are undergoing the greatest face lifting operation they have had in decades through the auspices of the General State Authority, the new Commonwealth building agency. The Authority has earmarked \$14,000,000 of its funds for new construction and renovations to eliminate as many as possible of the fire and health hazards which have developed in the physical structures used at these state-owned and operated colleges.

The 14 institutions are under the supervision of the State Department of Public Instruction and have been the principal source of supply for the trained teachers for Pennsylvania's public schools.

Teach 12,000 Students
Nearly 12,000 full-time students were enrolled in the 14 colleges in the 1949-50 term and many of them studied and lived in facilities that had long since outlived their usefulness and badly needed replacement.

The Authority program, requested by the Department of Public Instruction, was designed primarily to eliminate fire and health hazards in existing facilities without expanding them.

Unlike previous building programs at these institutions, the emphasis in the Authority program has been placed on providing safe living conditions for the students so that the bulk of the funds allocated for new construction or repairs will go into new dormitories to replace antiquated structures or into similar work designed to remove a wide variety of hazards.

52 Haze Projects
The Authority has approved so far 52 construction projects at teachers colleges of which 13 were under construction on September 1. In addition, another \$1,000,000 has been allocated to equip the new buildings upon completion.

Eleven of the projects are for new dormitories for which approximately \$5,200,000 has been allocated out of the \$14,000,000 earmarked for work at these institutions. Another \$1,215,000 has been allotted for 18 projects involving repairs to existing dormitories at the various colleges.

Another big item in the college construction program is the building of new boiler plants or the rehabilitation or expansion of existing plants. Adequate and dependable heating plants are one of the best guarantees for the health of the students at these colleges. Failures of heating plants in the past has resulted in cold rooms and presented the hazard of epidemics of colds and similar respiratory ailments.

New Auditoriums
To eliminate this health hazard, the Authority has earmarked \$2,793,374 for new boiler plants or changes in existing heating plants to bring them up to accepted standards for this type of facility.

ards for this type of facility.

Another \$1,415,000 has been allocated by the Authority for new college auditoriums. These new assembly halls, so important in college programs, will be in separate buildings and eliminate conditions where students gathered in halls on second floors with inadequate exits. Some of the present auditoriums also are built over the college kitchens with the ever constant danger from fire.

New science buildings at Lock Haven and Mansfield State Teachers colleges will take another \$930,000 in Authority funds, while miscellaneous repairs ranging from modernization of kitchen facilities, to relocation of college infirmaries at several institutions will require \$1,043,000.

Gymnasium Addition
The Authority also has approved construction of an administration building at the East Stroudsburg State Teachers college to take the college offices out of the women's dormitory and construction of an addition to the gymnasium and a swimming pool at the West Chester State Teachers college to give that institution, noted as a center of physical education instruction, essential facilities for carrying on its college curriculum.

The work undertaken by the Authority, college by college, follows: Bloomsburg State Teachers college, expansion of boiler plant.

California State Teachers college, new auditorium, men's dormitory, extensive repairs to North and South Halls.

Women's Dormitory
Cheyney Training School for Teachers, new heating plant and addition to Yarnall Hall, a women's dormitory.

Clarion State Teachers college, fireproof stairway on Becht Hall, a women's dormitory, repairs to kitchen, new boiler plant and a new men's dormitory.

East Stroudsburg State Teachers college, new men's dormitory, administration building, repairs to St. Stroud and Oak Halls.

Edinboro State Teachers college, new men's dormitory, new women's dormitory, transfer infirmary to first floor location, improvements to boiler plant, and repairs to existing college buildings.

Indiana State Teachers college, new men's dormitory, rehabilitation of college kitchen, rewiring of existing college buildings and installation of a fire sprinkler system in John Sutton Hall.

New Science Building
Mansfield State Teachers college, new men's dormitory, new science building, repairs to North Hall, a women's dormitory, and complete renovation of the college kitchen.

Millersville State Teachers college, a new men's dormitory, new women's dormitory, new kitchen and dining hall, new auditorium and expansion of utilities to provide for the new buildings.

Kutztown State Teachers college, relocation of infirmary, fireproof stairways in main college building, new quarters for college help, a new chemical storage annex and fireproofing of top floor of main building.

Lock Haven State Teachers college, a new women's dormitory, a new science building, expansion of the boiler plant and fireproof stairways in College Main.

Shippensburg State Teachers college, new auditorium, new heating plant, fireproof stairways in Horton Hall, a women's dormitory, and new water mains and fireplugs.

Slippery Rock State Teachers college, a new heating plant and new electrical distribution lines.

West Chester State Teachers college, an addition to the gymnasium and swimming pool, repairs to Freshman Hall, Main Hall, and Reynolds Hall, all dormitories, and to the men's dormitory.

Tile-like flooring consisting of scrap wood with the end-grain exposed has been developed at Purdue University.

A portable plow unit has been developed for quick clearing of forest fire lines.

Littlestown STARR BIBLE CLASS MEETS

Mrs. Holman L. Sell, president, was in charge of the October meeting of the Starr Bible class of St. Paul's Lutheran church, on Thursday evening at the home of Mrs. Annie and Mrs. Edgar Pfeiffer, Cemetery street. The meeting opened with a song service; scripture by Mrs. Edgar Pfeiffer, and the 23rd Psalm in unison.

Plans for serving the annual banquet to the Loyalty class and the class of Luther D. Snyder, on Monday, November 6, were discussed. Mrs. William H. Dixon and Mrs. Emma Norwood, who were appointed as a committee to select and purchase a Mikmaster for the church kitchen, reported that the purchase had been made.

Guest packages, contributed by Mrs. Sterling Sell and Mrs. Ralph Conover, were received by Mrs. Ralph Conover and Mrs. Arthur E. Blair. Entertainment included readings by Mrs. Ellen Feeser, Mrs. Edward Plunkert, Mrs. Ralph Conover, Mrs. Emma Norwood, Mrs. Maurice C. Wareheim, Mrs. Walter Shriver and Mrs. Edgar Pfeiffer.

A prize was awarded to Mrs. Ralph Conover for having the largest number of articles in her pocketbook and to Mrs. Ellen Feeser for her choice of Halloween costume. Edward Sauerhammer, Mt. Joy, gave two humorous recitations. Refreshments were served to the 16 members and two visitors present by the committee, which, in addition to the Mrs. Pfeiffer, included Mrs. Luther Sentz. The next meeting of the class will be held Thursday, November 30, at the home of Mrs. Paul Scheiver, along the Westminister road, near town. The committee for the meeting is composed of Mrs. Scheiver, Mrs. Emma Norwood and Mrs. George Stover.

Boy Scouts of Troop 24 will help to place covers on parking meters today, so that visitors to town will know that parking is free from 2 o'clock on, in observance of the Pennsylvania Week celebration. The Scouts are reminded that each one must have a handbook in order to be able to work for advancements. Future activities of the troop, which have been planned, are a board of review, a court of honor, uniform inspection and a trip to the Gettysburg battlefield.

A covered dish supper will be held in connection with the monthly meeting of the St. Aloysius Parish Council of Catholic Women on Wednesday evening in the parish hall at 6:30 o'clock. The supper will also be a reception for the new pastor, the Rev. Edward J. Shanahan. Mrs. J. Richard Myers is chairman of the hostess committee and Mrs. Carroll Oaster, chairman of the program committee.

The Ladies' society of St. John's Lutheran church decided at the October meeting on Thursday evening in the social hall of the church, to serve a roast turkey supper, family style, on Saturday, November 4, in the social room of the Sunday school building, beginning at 4 o'clock.

The meeting was held in the form of a Halloween social and the program opened with a grand march. Prizes were awarded for costumes to Mrs. William Lippy for the most comical; Mrs. Oliver Erb for the most original; Mrs. Preston Clouser, person not guessed, and prettiest child, Brenda Alexander. The meeting was in charge of the president, Mrs. Kenneth D. James. A song service was held and Mrs. James read the scripture. Mrs. Elmo Jones offered prayer.

The program included a reading "God's World" by Louise Grotz; Halloween readings by the members of the society; vocal solo, in German, Brenda Alexander; quartet "Have

REDS' ALLIES MEET IN PRAGUE

Prague, Czechoslovakia, Oct. 21 (AP)—Following her sharp warning that she would not tolerate re-militarization of western Germany, Russia met with her European Allies today to discuss that explosive subject. The meeting was called by the Soviet Union, which sent Deputy Prime Minister V. M. Molotov as its spokesman. Molotov is a former Soviet foreign minister.

Moscow radio and the official Czechoslovak News Agency reported the eight-nation meeting started yesterday. Deputy Prime Minister Zdenek Fierlinger, representing Czechoslovakia, opened the conference and was elected chairman. Molotov flew in from Moscow by special plane. Other foreign delegates had already arrived and met him at Prague's flag-decorated Ruzyně airport.

They were foreign ministers Mincho Neyshech of Bulgaria; Zygmunt Mcdzelewski of Poland; Gyula Kal-

lai of Hungary; Ann Pauker of Romania; George Derlinger of Eastern Germany and V. Natanajli, Albanian minister to Moscow.

Harrisburg, Oct. 21 (AP)—Vice-President Allen W. Barkley will lead big guns of the Democratic party in a move to win the Pennsylvania general election Nov. 7. Barkley will speak in the Keystone state on Oct. 24 and 25 in behalf of the candidates of U.S. Senator Francis J. Myers, seeking re-election, and Richardson Dilworth, running for governor.

Mrs. George Trump was received as a new member into the society. The birthdays of Mrs. Harry Bloom, Mrs. Lillie Shryock, Mrs. Oliver Erb, Mrs. Preston Clouser, Mrs. Benton Flickinger and Mrs. Paul O. Hawk were observed. Refreshments were served to the 30 members and ten visitors present by the hostess committee composed of Mrs. Benton Flickinger, Mrs. Charles Lemmon and Mrs. John Moudy. The next meeting of the society will be held on Thursday, November 30, at 7:30 p.m., at the home of Mrs. Elmo Jones, along the Hanover road, near town, with Mrs. Jones, Mrs. Lewis Lippy and Mrs. Sylvester Rickrode as hostesses.

Harrisburg, Oct. 21 (AP)—Pennsylvania Week has mushroomed from a modest \$5,000 project into a million dollar promotion for the Keystone state.

Floyd Chalfant, Waynesboro publisher, started the annual observance in 1946 while State Secretary of Commerce as a frank attempt to attract new industry to the state. It went on from there growing larger each year as industry, trade associations and other groups joined in privately financed projects to call attention to Pennsylvania's might.

factions gave more than \$410 toward the Crusade for Freedom and thousands signed scrolls dedicating themselves to the cause of freedom. The scrolls and money were forwarded to General Clay, who sent the scrolls to Berlin. The money will go toward construction of eight radio stations in Germany to beam the truth about democracies to the iron curtain countries.

The bell ringing will last for 21 minutes, starting at 12:03.

On the Freedom Bell placed in Berlin is inscribed, in paraphrase of Lincoln's Gettysburg address, the words "That This World, Under God, Shall Have a New Birth of Freedom."

other games, despite the poor facilities there. This past month those facilities were increased and larger space devoted to them and as a result the number of persons using the YWCA for recreation is expected to treble during the coming year.

The total number of meetings held in the YWCA building during the past year was 576. Mrs. Buehler noted, and the total attendance was 12,604. That number does not include the thousands of people who each year use the parlor of "Y" as a meeting place, or merely to rest.

In addition the YWCA provides powder room facilities for women and a count made during one Saturday afternoon showed that 267 used the facilities during that time.

SCOTTISH SONGS FOR LIONS

Prof. and Mrs. Charles L. Yost, Biglerville, will sing Scottish ballads of Harry Lander for the Gettysburg Lions at their weekly dinner meeting Monday evening at 6 o'clock at the Shelter House.

POLITICS
AT-A-GLANCE

(By The Associated Press)
John S. Fine said at Somerset that the Truman administration has spent more in five years than had been spent since George Washington's day.

U.S. Sen. Francis J. Myers said at Media that Democrats would win the election.

Richardson Dilworth accused Fine in Delaware county of "downright lies" in his charges that the Democratic gubernatorial candidate has an anti-labor record.

Fine and Duff appeared at a rally in Hershey arena where the Republican party launched a money-raising campaign.

The Democratic state committee charged that hundreds of state employees were "pressed into service" as ushers and other functionaries at the GOP Hershey rally.
